In the time of peace, it is unusual to start editorial by an obituary. Unfortunately, the civilised world is currently in war on terror and evil spirit of the so-called Islamic state. The obituary is dedicated to a very brave man who recently sacrificed his life in protection of archaeological monuments in Syrian site Palmyra. As we respect him as a hero of the world archaeology, we would like to dedicate whole this issue of Archaeologies to his memory.

The role and historicity of Moses in the Bible have been the subject of much study and speculation. This book focuses not only on the construction of this biblical figure, but also on its evolution through the ancient and medieval Middle East. From the Jewish world to Islam by way of Christianity and the philosophical and Gnostic movements of Late Antiquity, from the first centuries of the Christian era to the late Middle Ages, and from the Mediterranean to Iran and Ethiopia, the authors have appropriated the figure of Moses whose polysemy allowed for multiple readings in various and...

Dear Chief Executive

Last night I was going to purchase the beef flavour Hula Hoops but didn't do so because there was no 'suitable for vegetarians' statement on the £1 large pack. Is that flavour suitable and,, if so, could it please be labelled as such?

Thanks,

Apologies!

UMAR AZAM <dr.u.azam@gmail.com>

Jan 4

to Nick

Dear Sir,

Apologies, my previous email actually concerned your product BIG HOOPS [not *Hula Hoopsthemselves*] and a local *Premier* Supermarket assistant helped me to find the obscure 'SUITABLE FOR VEGETARIANS' 'V' logo hidden away on the back of the pack, right at the bottom, below the bar code.

My pack is best before: 23 04 2016
and it has the reference: YHIC5351 05:30

I should think that the slogan: 'Suitable for Vegetarians' should be inserted in one of the orange panels, eg above or below: 'For allergens see ingredients in bold. Also may contain gluten.'

Good morning and thank you for your recent e mail.

The vegetarian logo will be moved on this pack when the Big Hoops redesign goes into store later this year.

We have been moving logos to the same panel as the ingredients lists (if needed and if space permits) as and when packaging is re-originated for other reasons.

Kind regards

Salaam hope your well ,

I had a dream this morning and I had fake nails on but was wearing this red really nice nail polish on . Suddenly my auntie said to me why I have got false nails on . I said to my self I'm only wearing the fake nails on for a day and not the two weeks one because I have to pray namaz .

WA LAIKUM SALAM, SAFAH

NO, I'M NOT IN THE BEST OF HEALTH BUT ALHAMDULILLAH FOR LIFE ITSELF. I PRAY YOU ARE WELL. IT'S STRANGE THAT I'VE BEEN THINKING OF YOU FOR THE LAST 2 DAYS OR SO AND THEN YOUR EMAIL COMES. THERE MUST BE SOME CONNECTION BETWEEN US.

YOUR DREAM MEANS THAT PERHAPS YOU ARE BEING SELISH IN YOUR ATTITUDES TOWARDS OTHERS [IE NOT CARING FOR THEIR FEELINGS BUT ONLY YOUR OWN [FALSE NAILS] AND YOUR RED NAIL POLISH SUGGESTS THAT YOU ARE TRYING TO ATTRACT SOMEONE ROMANTICALLY [NOT RECOMMENDED UNLESS FOR MARRIAGE]. THE MENTION OF SALAH IN YOUR DREAM SUGGESTS THAT YOU ARE TRYING TO TREAD THE ISLAMIC PATH OF GOOD DEEDS.

Fingernails

To notice your fingernails in your dream indicate that your defenses are up. Consider the length of the nails, the color (if applicable), the condition, and the cleanliness of the nails for additional meaning to your dream. If you dream that your nails are long, then it signify your idleness. You are not taking action. If you are wearing fake fingernails, then it suggest that you are reaching out to others, but do not have their best interest in mind. You may be acting in a disingenuous way.

Nail Polish

To polish your nails in your dream suggests that you need to put more focus onto what you are doing and what you are trying to accomplish.

To dream that you are changing your nail polish color represents your creativeness or emotional nature.

Look up the color of the nail polish for additional significance. In particular, to see blue, green black, purple or other non-traditional nail polish color in your dream represents your free spirit. You like to express yourself in unique ways. If you see clear nail polish in your dream, then it signifies your objectiveness in a situation.

YOUR DREAM IS TELLING YOU THAT YOU HAVE SOME WORRYING SITUATION, PERHAPS CONCERNING SOME WOMAN OR YOU WILL HAVE IN THE FUTURE.

Snake

To see a snake or be bitten by one in your dream signifies hidden fears and worries that are threatening you. Your dream may be alerting you to something in your waking life that you are not aware of or that has not yet surfaced. If the snake tangles itself, then it represents a subsiding threat. Something that you thought was going to be a problem has resolved itself. Alternatively, the snake may be seen as phallic and thus symbolize temptation, dangerous and forbidden sexuality. In particular, to see a snake on your bed suggests that you are feeling sexually overpowered or sexually threatened. You may be inexperienced, nervous or just unable to keep up. If you are afraid of the snake, then it signifies your fears of sex, intimacy or commitment. The snake may also refer to a person around you who is callous, ruthless, and can't be trusted. As a positive symbol, snakes represent healing, transformation, knowledge and wisdom. It is indicative of self-renewal and positive change. In particular, dreaming of a red snake highlights the positive characteristics of the snake, as well as your fiery passion. To see a baby snake in your dream means that you are underestimating some threat in your waking life. To see the skin of a snake in your dream represents protection from illnesses.

YEAH, YOUR FAMILY SHOULD START TALKING ABOUT THE POSSIBILITY OF RISHTA IN THE HOUSEHOLD CONCERNED, SINCE THE BLANK PIECE OF PAPER SIGNIFIES A FRESH START AND NEGOTIATING THE RISHHTA IN THIS CASE:

Paper

To see blank white paper in your dream signifies your desire to make a fresh start in your life. You need to express yourself through writing or art. Alternatively, blank paper indicates that you need to work on being more communicative.

Assalamo Alaikom, David

The book about Fatima (as) in your hands was written by one of Lebanon's top scholars who also wrote a 19-Volume encyclopedia about Fatima's husband, Commander of the Faithful Ali (as). Of course, some Sunnis always use their weapon of casting doubt at what non-Sunnis (Shi`as) write; this is a fact; this is their habit; this is how they are and how they will always be, and we are not surprised at all.

The only advice I have for you is to visit my Academia web page reference to which is here below in the Signature to this email where you will be able to read full-length books and essays which I wrote or translated, all free of charge and without any obligation, particularly my translation of AL-MURAJA`AT book, one of the most important books in the Islamic library.

Thank you for writing, may Allah strengthen your Iman (conviction) and keep you on His Right Path, Allahomma Aameen, *Wassalamo Alaikom*.

Your Brother Yasin

Visit my Academia.edu web page: <https://cau.academia.edu/YasinAlJibouri> and enjoy reading and downloading, free of charge and without any obligation whatsoever, **51** of my full-length books and essays, including Harvard University's "Islam in America" report which mentions my name twice, I wonder why!

Visit the Book Store of YASIN PUBLICATIONS by clicking on this Link:

<http://www.yasinpublications.org/>

Amazon (www.amazon.com) and its affiliates are marketing my books throughout the world, especially in these **51 countries**: Albania, Australia, Brazil, Canada, Czech Republic, China, Colombia, Denmark, Estonia, European Union, France, Germany, Gibraltar, Greenland, Guyana, Hungary, India, Indonesia, Iran, Isle of Man, Israel (Occupied Palestine), Italy, Japan, Jersey, Jordan, Kenya, Lao People's Democratic Republic, Laos, Libya, Liechtenstein, Malta, Mexico, Moldova, Netherlands, New Zealand, Norway, Philippines, Poland, Russia, Singapore, Somalia, South Africa, South Georgia and the South Sandwich Islands, Spain, St. Helena, St. Pierre and Miquelon, Tajikistan, Tuvalu, United Kingdom, United States, Wallis and Futuna Islands and Western Samoa. PDF files are available for each web site that markets my books or posts electronic editions of them for free download in each of these countries.

Subject: Fatima

al-salam 'alaykum,

I am convert to Islam (17 years ago) who is recently starting to learn about Fatima, alayh al-salam. I just bought the book you translated by al-Amili about her, because it seemed so detailed and well-documented and I need to know that what I am learning is true. If you have any other advice for me, please share. Hope all is well.

AsSalam-u-Alaikum,

You have done a good job to put my book on your ACADEMIA page. Please keep it there. The copyright restriction is for the printing and selling of the books. The e-copies may be distributed liberally without my permission.

Apart from the book which I sent you earlier, I have written several books on Qur'an and Science. In separate emails I will also forward those books to you, one book in one email because of the restriction of the size of the attachments. Please let me know if you liked those books.
