THANK YOU FOR FILLING IN MY FEEDBACK FORM ON THE islamic-dreams.weebly.com SITE.

YOUR TWO DREAMS SEEM TO BE TELLING YOU THAT THE GIRL YOU WANT TO MARRY NEEDS HER FAMILY'S SUPPORT BEFORE SHE CAN AGREE TO MARRY YOU AND, INSHALLAH, THAT SUPPORT WILL BE FORTHCOMING IN THE FUTURE SYMBOLISED BY THE SMALL WHALE DEFEATING THE LARGER ONE. THAT IS, IF YOUR DREAMS COME OUT TO BE TRUE. LET US PRAY THAT SHE GETS HER FAMILY'S CONSENT AND THAT CLEARS THE WAY FOR YOU TO MARRY HER, AND THAT THE MARRIAGE WILL TURN OUT TO BE SUCCESSFUL. AMEEN.

Q&A

Salam

I have a very serious question Just logged on to you web site as well.Its always a hassle to go to all these Q&A forums i dunno if you are upto it or not ..? But take your time , writing to you with this question suddenly came to my heart ...so here it is ..i am writing extensively in order to clear all questions which can possibly arise with you ..

GIST OF MY QUESTION

Some 20 Years ago as i young college student i used to go to all these Black Magicans in order to get taweez so that a girl could fall in love with me ...this continued for about 2 years .

- 1) Yes i knew it was wrong HARAM (ALSO ABOW SURAH BAQRA V 102)
- 2) Yes , even then used to go for Jamaat [prayers ,fasts, but later this blessing became less and less only Jumas or Ramzans or occasionally
- 3) even before i began doing this i was blessed with seeing SAW in a dream (1 year before)

- 1) I have been repenting since then
- 2) Mashallah not missed salat /jamaat for many years now
- 3) Also recite qaza sallats (which i may have abandoned in life) every thursday/friday
- 4) Recite lil bit Quran every day for many years now also not missed azkar for many years
- 5) I keep company with a Noble Shiekh and visit his Dars every week for many years
- 6) Keep 3 fasts every month (many yeras)
- 7) Offer some nafils Shab Juma
- 8) I have cried and seek forgivness many many years on SHAB QADAR etc etc .
- 9) also tried to give sadqa as compensation for my sin ..+2 years ago i recited for 40 days quran (different surahs) also do they same off and on even now and give sawab to the person for whom i went to the magicians 20 years ago.
- 10) i have never done it again and hate the very idea , do not even remember the person (for whom i went to get taweez) not in touch or anythng.
- 11) every friday i specially recite as ruqya several verses of the quran briefly like surah taha (when moses overpwrs the magicans) Surah Araf, Shoora, Al baqra etc many year now ..

END RESULT

I STILL FEEL HONESTLY THAT ALL BLESSINGS IN MY LIFE TILL DATE ARE DUE TO THE AFTER EFFECTS OF THAT SIN

BREAK DOWN OF MARRIGE PROPOSALS DOZENS OF TIME TILL DATE

ALLHAMDOLLILAH I HAVE BARKAT NO COMPLAINTS BUT RIZQ /WORK

WELL FRANKLY I AM DEAD BROKE ETC ETC but allhamdollilah ALLAH HAS

KEPT ME SAFE FROM A BAD REPUTATION AND QARAZ

IFYOU HAVE REPENTED AND DO ALL THESE MARVELLOUS ACTS OF IBADAT, THEN WHAT MORE CAN YOU DO? ALLAH'S MERCY IS GREATER THAN ALLAH'S ANGER, SO INSHA'ALLAH YOU WILL BE FORGIVEN. DID YOU MANAGE TO MARRY THAT GIRL EVENTUALLY?

WHAT I CAN DO IS TO RECOMMEND YOU TO DOWNLOAD TAWEEZ FOR RIZQ FROM:

<http://www.khwajagharibnawaz.net/taweez1.htm>

ALSO, I HAVE ATTACHED A WAZIFA FOR RIZQ FOR YOU AND PLEASE USE THIS WAZEEFAS WEBSITE:

<http://www.wazifas.com>

EVERYTHING HAPPENS FOR A REASON; IT COULD BE THAT IF YOU GOT MONEY IN ABUNDANCE, YOU WOULD NOT BOTHER TO DO THE IBADAT YOU DO NOW. ONLY ALLAH KNOWS HOW MUCH YOU'RE EARNING FOR YOUR ETERNAL LIFE BUT IT IS BOUND TO BE FAR, FAR GREATER THAN ANY MATERIAL, TEMPORARY WEALTH. BUT THERE IS NO HARM IN ASKING ALLAH ALMIGHTY FOR EXTRA RIZQ.

MAY ALLAH GIVE YOU THE BEST IN BOTH THE WORLDS! AMEEN.

I had a dream that i was in a room , and got realli scared when i seen allah in form of man .that came from the skie in to the top of the roof of the room..Whilst he was really big..Soon he his size came smaller then i saw him he had a beutiful round pale face and was wearing a pagri(green one).Then i was holding a 10 pence coin and he said to me you are a muslim so give sadaqa of being a muslim...

WA LAIKUM SALAM,

THIS DREAM IS AN INSTRUCTION FOR YOU TO GIVE WHATEVER YOU CAN AFFORD FOR CHARITY IN ALLAH'S WAY E.G. TO THE PALESTINIANS. IF YOU DO THIS, YOUR PROBLEMS WILL INSHALLAH END AND YOU WILL MAKE A PROFIT IE GET MORE MONEY FROM SOMEWHERE IN RETURN. CHARITY COULD ALSO MEAN EXPIATION FOR PAST SINS, SINCE YOU GOT REALLY SCARED OF ALLAH IN THE FORM OF A MAN.

Charity — (Detergent; Discards; Filth; Loan; Tithe) **Charity** in a dream means repelling calamities, recovering from illness, profits or truthfulness. This is also true when it comes to earning one's money lawfully, but if one gives a dead animal or alcohol or a stolen or mismanaged money in **charity**, then his **charity** is not acceptable and it means that he will pursue evil and indulge in sin. If a farmer who is having a bad harvest sees himself giving some of what he plants in **charity** in a dream, it means that his crop will increase and his produce will be blessed. If one donates his charities to a rich person in a dream, it means that he may suffer from tight financial circumstances, or that he may come to be in need of such a person. If one gives a charitable donation to a prostitute in a dream, it means that she will repent of her sin. If he gives a **charity** to a thief in a dream, it means that the thief will cease his profession. **Charity** in a dream also could mean suppressing the envy or spite of one's rivals or subdue the jealousy of one's enemy, averting his dislikes, or suppressing evil in general. If an angry person sees himself secretly distributing **charity** in a dream, it means that Allah Almighty has forgiven him his sin of anger. Giving **charity** in secret in one's dream also could mean seeking the friendship of people in authority, or to join the circles of people of knowledge. If a man of knowledge is asked to give money in **charity**, and if he complies in his dream, it means that he will expound his knowledge to others. If he is a merchant, it means that he will benefit others with his business or teaches them his trade. If he is a craftsman, he will teach people his craft. If one who is under pressures, or if one is scared of something sees himself feeding a beggar who is undergoing his own trials in a dream, it means that one's fears and stress will be dispelled. **Charity** in a dream also denotes celebrating Allah's praises, devotion, visiting the graveyards and doing good. To spend money on Allah's path in a dream means that one will surely receive money in wakefulness. (Also see Alms tax; Endowment; Good deeds; Loan) Source: Strong

To dream of being caught in a gale indicates that you are losing control on things that you never had control of in the first place. You need to find another way to approach and solve your problems. Alternatively, the dream may also be telling you that you are too serious. You need to lighten up.

dream: baby boy

Mohd Shahrul Akram Mohd Mokhtar

Apr

to me

salam,
hope you are in very good shape.
I have one question:
What is the meaning of seeing a baby boy (about 4-5months in age), hurts (has wounds in his face, elbow, arms)...
is it brings good tidings or the opposite?

And the baby speaks, like he said he has shoot his brother/someone .. and he said he like it (doing that)..

* what I know is; little boy (not baby; age maybe around 4-9 years old) means negative things (sad/sorrow and so on).
and little girl means positive (happy and so on).

Jazakallahukhair.

UMAR AZAM <dr.u.azam@gmail.com>

Apr
18

to Mohd

WA LAIKUM SALAM, BR AKRAM

YOU'RE QUITE CORRECT - SEEING A BABY BOY MEANS A TROUBLED YEAR COMING UP. THE SCIENTIFIC EXPLANATION IS THAT THE BABY BOY REPRESENTS YOU - YOU WILL BE HURT EMOTIONALLY BY OTHERS: ALL GOOD COMES FROM ALLAH AND EVIL FROM OUR OWN NAFS. TRY TO BE GOOD TO OTHERS SO OTHERS CAN BE GOOD BACK TO YOU, BR AKRAM.

Baby

To see a baby in your dream signifies innocence, warmth and new beginnings. Babies symbolize something in your own inner nature that is pure, vulnerable, helpless and/or uncorrupted. If you dream that the baby is smiling at you, then it suggests that you are experiencing pure joy. You do not ask for much to make you happy. If you find a baby in your dream, then it suggests that you have acknowledged your hidden potential. If you dream that you forgot you had a baby, then it suggests that you are trying to hide your own vulnerabilities; you do not want to let others know of your weaknesses. Alternatively, forgetting about a baby represents an aspect of yourself that you have abandoned or put aside due to life's changing circumstances. The dream may serve as a reminder that it is time for you to pick up that old interest, hobby, or project again. If you dream that you are on your way to the hospital to have a baby, then it signifies your issues of dependency and your desires to be completely cared for. Perhaps you are trying to get out of some responsibility. If you are pregnant in real life, then a more direct interpretation may simply mean that you are experiencing some anxieties of making it to the hospital when the time comes.

To dream of a crying baby symbolizes a part of yourself that is deprived of attention and needs to be nurtured. Alternatively, it represents your unfulfilled goals and a sense of lacking in your life. If you dream that a baby is neglected, then it suggests that you are not paying enough attention to yourself. You are not utilizing your full potential. Alternatively, this dream could represent your fears about your own children and your ability to protect and to provide for them. To see yourself or someone as a baby in your dream refers to your desire to be cared for and nurtured.

Alternatively, the dream may mean that you or someone is behaving immaturely.

To dream about a starving baby represents your dependence on others. You are experiencing some deficiency in your life that needs immediate attention and gratification. To see a dead baby in your dream symbolizes the ending of something that was once a part of you. To dream of an extremely small baby symbolizes your helplessness and your fears of letting others become aware of your vulnerabilities and incompetence. You may be afraid to ask for help and as a result tend to take matters into your own hands. To dream that you are dipping a baby in and out of water signifies regression. You are regressing to a time where you had no worries and responsibilities. Alternatively, such a scenario is reminiscent of when the baby is in the fetus and in its comfort zone. In fact, some expectant mothers even give birth in a pool, because the environment in the water mimics the environment in the uterus. It is less traumatic for the baby as it emerges into the world. So perhaps, the dream represents your search for your own comfort zone.

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=baby>

To dream that a baby is walking or dancing refers to the potential and possibilities that life has in store for you. The future looks bright. The dream may also be a metaphor that you need to take baby steps in your relationship, toward your goal, in a work project or whatever undertaking. If you have a baby in real life, then the dream is a reflection of your hopes for that baby.

to me

Salam, Jazakallahu khairan kasira..

(A) I kept thinking in this way: baby boy represents trouble., so an injured baby boy means the opposite- the trouble will fade away. Guess i'm wrong.

Actually, after seeing the baby boy, in the same dream, I saw woman singing with good quality voice. No lyrics, just "aaa" but good. Looks like african, black woman.

(B) Before, in several nights I got this dreams:

1. I make a necklace and completed it.
2. I sing with a good quality voice (2 times in 2 dreams). No lyrics, just "aaa" but good.
3. I caress a cute she-cate. the cat looks like smiling, sleeping.
4. I hold and lift a nice, cute, smiling girl (age around 5 years old). I saw luxury cars.

(C) A dream about a year ago:

Me, with 3 other men, climbing a mountain. There is a woman climbing too (wear no hijab). She is beautiful. All of them are unknown.

Just before I reach the top, I was kind of slip and almost fell. But one of them help me. When we reach at top, we hold the ropes of a parachute. I looked at one of the rope that was hold by one of them. I saw it is not being hold/tied firmly. I took the rope from his hand and tied it firmly. End.

I just gave this information, in case it will be a help for you in gaining dreams data. If not mistaken you did collect dreams data. But if you want to interperate them, I'm really honoured. jazakallahu khairan kasira.

WA LAIKUM SALAM, BR SYED AHMED

SCARY TURTLES REPRESENT ENMITY TOWARDS YOU FROM YOUR COUSINS AND YOUR NEED TO BE PROTECTED FROM FAMILY PROBLEMS. THE MOSQUE REPRESENTS THE FACT THAT YOU ARE RELIGIOUS AND CORRECTLY GUIDED BY ALLAH. STAIRS/DANGER OF FALLING OR DYING ON THE WAY TO THE MOSQUE REPRESENT ANXIETY OR PROBLEMS IN MATTERS OF RELIGION IN YOUR LIFE. THE CAR REPRESENTS LIFE AND PROFIT MEANS SUCCESS IN RELIGION AND MONEY INSHA'ALLAH.

Turtle

To see a turtle in your dream symbolizes wisdom, faithfulness, longevity, and loyalty. It also suggests that you need to take it slow in some situation or relationship in your life. With time and patience, you will make steady progress. Alternatively, a turtle indicates that you are sheltering yourself from the realities of life. You are putting forth a hard exterior and not letting others in. As a result, you are feeling withdrawn.

To dream that you are being chased by a turtle indicates that you are hiding behind a facade, instead of confronting the things that are bothering you.

IT APPEARS THAT SOMEONE, MAYBE SOME RELATIVE[S] HAS DONE INJUSTICE TO YOU AND IS LIKE AN ENEMY TO YOU [GUN] AND YOU ARE SUFFERING EMOTIONALLY. THE SIGNIFICANCE OF SURAH FURQAN MAY BE THAT YOU WILL GET SAWAB BUT THEIR GOOD DEEDS WILL BE REDUCED. BE PATIENT, FOR ALLAH LOVES THE PATIENT.

Robbery

To dream that you have been robbed indicates that you are experiencing an identity crisis or are suffering from some sort of loss in your life. Alternatively, the dream means that someone has stolen your success or has taken credit for something you did.

Perhaps you feel that you have been treated

unfairly. <http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=ROBBER>

THE HOTEL IN YOUR DREAM SYMBOLISES YOUR NEED TO MAKE A FRESH START IN LIFE AND MAKE NEW PLANS:

Hotel

To see a hotel in your dream signifies a new state of mind or a shift in personal identity. You are undergoing some sort of transition and need to move away from your old habits and old way of thinking. You need to temporarily escape from your daily life. ♦ Alternatively, the dream may imply a loss in your personal identity.

THE AZAN COULD MEAN THAT PEOPLE IN YOUR COMMUNITY ARE BACKBITING [SPREADING RUMOURS ABOUT YOU]. DON'T GIVE PEOPLE THE CHANCE TO SAY ANYTHING NEGATIVE ABOUT YOU AND BEHAVE IMPECCABLY AT ALL TIMES:

Call to prayers — (Azan; Muezzin) Hearing the call to prayers in a dream denotes the pilgrimage season or announces its holy months. It also may indicate backbiting, a theft, announcing a major move or blowing the trumpets of war, or it could denote rank and honor or obeyed commands of the one seeing the dream, or perhaps announcing a wife for an unmarried man, and it could mean telling the truth. Hearing the call to prayers in a language other than the Arabic in which it was revealed in a dream means lies and backbiting. If one sees a woman calling to prayers, standing on the top of a minaret in a dream, it means innovation and trials. If children give the call to prayers in a dream, it means that people filled with ignorance will rule the land. This is particularly true when the call is made outside the proper time. If a suitable person sees himself adequately calling to prayers in a dream, it means that he will be appointed to govern a land which is as vast as his voice can reach in the dream. If one does not fit the conditions of ruling, then it means that his enemies will increase in number. If he is a merchant, it means that his business will grow. Hearing the call to prayers in a dream also may represent invocations, supplications and good prayers. If one sees himself calling to prayers from inside a well in a dream, it means that he will call people from another land to walk the path of Allah Almighty, to follow the jurisprudence He made obligatory upon humanity, and to adopt the divine laws as their way of life and religion. If calling from inside a well is done from within a Muslim country in the dream, it means that he is a spy or an innovator who is introducing changes to Allah's laws. If one sees himself calling to prayers from the top of the Sacred House of Kabah in a dream, it means that he is an innovator. If he calls to prayers while laying down in his bed in a dream, it means that his wife is backbiting and slandering the neighbors. If he makes the call at the door of a king in a dream, it means that he will testify to the truth in a court of justice. If one's call is made while travelling in a caravan or in a marketplace in a dream, it means that he will expose a band of thieves. If he makes the call to prayers from inside a ruin in a dream, it means that such a place will be rebuilt and people will live in it. If one sees himself calling to prayer from inside a bathhouse or while under the shower in a dream, it means that he will suffer from a fever. If he sees himself calling and no one is answering his call in a dream, it means that he belongs to the company of unjust people. If he calls with a beautiful voice and the people hearken to his call in the dream, it means that he is seeking the approval of people in authority. If he sees himself calling to prayer while being naked, it represents his recklessness and contempt about his own religion. Calling to prayer standing on a pile of trash in a dream means calling a stupid person to make peace but to no avail. Hearing the call to prayers given inside a marketplace means the death of one of the merchants. Source:Strong

THANK YOU FOR YOUR QUESTION. EVERYTHING HAPPENS FOR A REASON. THE PURPOSE OF THE ISTIKHARA WAS, IN MY OPINION, TO SAVE YOU FROM BLAME. YOUR MOTHER AND EX-MOTHER IN LAW TOOK RESPONSIBILITY FOR THE ENGAGEMENT.

IF YOUR 2 ENGAGEMENTS HAVE BEEN UNSUCCESSFUL, LOOK AT IT -NOT WITH EMOTIONAL PAIN- BUT WITH RELIEF THAT YOU COULD HAVE BEEN TRAPPED IN V. UNHAPPY MARRIAGES!

KEEP ON DOING WHAT YOUR FAMILY SAY AND YOU CAN'T GO WRONG; EVEN IF YOU DON'T GET A 3RD ENGAGEMENT IMMEDIATELY, LOOK AT THE SITUATION THAT AT LEAST YOU ARE FREE FROM THE EMOTIONAL TORMENT OF A CRUEL HUSBAND, DIVORCE ETC.

I PRAY THAT YOU GET A GREAT RISHTA IN THE NEAR FUTURE! AMEEN.

WA LAIKUM SALAM, ANISAH, AND THANK YOU FOR FILLING IN MY FEEDBACK FORM ON islamicdreams.weebly.com

YOUR DREAM IS TELLING YOU THAT YOU ARE FACING SOME SORT OF SEVERE PROBLEM OR PROBLEMS IN LIFE [RUNNING AWAY FROM PARAMILITARY FORCES] AND YOU WILL TURN TO ALLAH MOST HIGH FOR HELP [READING DUA] AND THEN, INSHA'ALLAH, YOUR PROBLEMS WILL END [THE ENEMIES WENT AWAY].

MAY ALLAH GIVE YOU PEACE OF MIND AND HAPPINESS IN BOTH THE WORLDS! AMEEN.

Army

To see the army in your dream symbolizes an overpowering force working against you. You may feel outnumbered or pressured and are unable to deal with this situation.

BECAUSE YOU ARE FACING STRESS IN YOUR MARRIED LIFE, YOU WISH YOUR LIFE WAS HAPPY AND PEACEFUL AGAIN, AS WHEN YOU WERE AT SCHOOL.

BUT EVEN IF YOU MARRIED ANY OF THE 2 CLASSMATES IN THE DREAM, THERE IS NO GUARANTEE THAT YOUR MARRIAGE WOULD HAVE WORKED OUT IN THE LONG TERM AND YOU MAY WELL HAVE EXPERIENCED THE SAME PROBLEMS AS NOW, MAYBE EVEN WORSE!

SO THE BEST THING FOR YOU TO DO IS TO MAKE YOUR MARRIAGE WORK, SINCE THE MARRIAGE IS WHAT ALLAH HAS WILLED. TELL ME EXACTLY WHAT PROBLEMS YOU ARE EXPERIENCING WITH YOUR HUSBAND AND I'LL SEE IF I CAN ADVISE. OBVIOUSLY EVERYTHING WILL BE TREATED HIGHLY CONFIDENTIALLY.

Salaam,

In my dream the front door to the property is wide open and held in place by a door stopper.

What does this mean?

WA LAIKUM SALAM,

Door

To dream that you are entering through a door signifies new opportunities that are presented before you. You are entering into a new stage in your life and moving from one level of consciousness to another. ♦ In particular, a door that opens to the outside signifies your need to be more accessible to others, whereas a door that opens into the inside denotes your desire for inner exploration and self-discovery.

To see an opened door in your dream symbolizes your receptiveness and willingness to accept new ideas/concepts. In particular, to see a light behind the door suggests that you are moving toward greater enlightenment/spirituality.

To dream that the door is closed or locked signifies opportunities that are denied and not available to you or that you have missed out on. Something or someone is blocking your progress. It also symbolizes the ending of a phase or project. In particular, if you are outside the locked door, then it suggests that you have anti-social tendencies. If you are inside the locked door, then it represents harsh lessons that need to be learned.

To dream that you are locking the door suggests that you are closing yourself off from others. You are hesitant in letting others in and revealing your feelings. It is indicative of some fear and low self-worth. If someone slams the door in your face, then it indicates that you are feeling shut out or some activity or that you are being ignored.
