Dear All,

As I'm not sure how I'm on the email list but nevertheless I will highlight a few points.

Instead of being hateful we should learn to be tolerating.

This patience and perseverance was depicted in the life our beloved prophet Muhammad (peace be upon him) lived.

We should look, read and reflect on the incidents that occurred in Taif and what the Prophet said.

We should be ambassadors of **positivity** and NOT ambassadors of negativity.

If anyone would like information on the true message of prophet Muhammad peace be upon him, do reply back to me.

Lastly, we should always ask ourselves what would have the Prophet done and I leave this question with you.

Your brother.

The best example is of the old lady throwing garbage on him not once by coincidence but twice intentionally. Companions were ready to kill her, but the Prophet Mohd. ignored her. When he was passing by the same street and nothing happened, he sent the companion to see if she is not sick and need some help.

Compare this incidence with the cartoons made, which is more serious a matter? We should learn a lesson from this incidence.

What has been done is utterly un-Islamic. We should have ignored it. We should have condemned it by writing letters to the editor.

This duood has no reference from the sunnah.

Please provide references.

As it is a grave sin to misquote and attribute something to the prophet which he didn't say, do or acknowledge.

I strongly advise that this duood not be spread as it is not in accordance to the authentic sunnah.
