[139] FROM SYED TO DR AZAM ON 13 OCTOBER 2008

Assalam o Alikum, Sir

I seen a dream in which I saw a baby daughter born to my wife, though I' m not married. But I am engaged.

Please interpret this dream as you have always been kind to me.

Kind Regards,

Syed Waqar Hussain Zaidi

FROM DR AZAM TO SYED ON 13 OCTOBER 2008

Wa laikum salam, Waqar

There's good news for you: the new-born daughter symbolises the coming year which will be very happy for you! Congratulations! I expect you will be married soon and life will become precious for you!

[140] FROM SAKINA NURA ZAKY AL-HASHIMI TO DR AZAM ON 30 OCTOBER 2008

As-Salasmu 'Alaikum

I had a dream in which Rasulullah (S) informed me that I was a direct blood descendant of Imam Husain (AS). He also informed me that I was very pleasing to Allah. In another dream, Rasulullah (S) shook my hand, and left 'Amirul-Mu'Minin 'Ali (AS) as my spiritual Guide to all knowledge of Islam. Can you interpret these dreams for me Insha'llah?

TO SAKINA ON 30 OCTOBER 2008

Wa laikum salam, Sakina

The Prophet [Pbuh] has said that whoever saw the Prophet [Pbuh] in a dream actually saw him, for the Satan cannot come in Muhammed' s [Pbuh] form. So it follows that any message given by the Prophet [Pbuh] must be the truth; you can take your dream literally. Congratulations! May Allah give you knowledge, success and happiness! Ameen.

[141] FROM ISMAHANSE ABDIRAHMAN ON 3 NOVEMBER 2008

salam aleikum

can u interpret this dream i had long time ago

I dreamt of praying in a room in universitie . there were lot of people and some people i know. After finishing my prayin I could not find my shoes: what does it mean?

I dreamt in another dream that i was wandering around the kabah. I have already been there, so what can this dream be about?

Shukran

ismahan

PS. You said somewhere in your website that there is a supplication u always read? What is this supplication?

TO ISMAHANSE ON 3 NOVEMBER 2008

Wa laikum salam, Br Ismahanse

I should think your dream means that you aspire to Islamic knowledge to be correctly guided [praying in a University] but are at times confused or looking for leadership/resources [lost shoes]. Wandering around the Kabah means that, in fact, you are correctly guided in matters of our religion.

Ka' ba

To make tawaf of the Ka' ba and to carry out some of the rites of Hajj is a mark of piety. To see the Ka' ba can also be a guarantee of conserving one's power and of obtaining victory because it is the goal of those who have left their land. Ibn Sireen, p. 15

Shoes

Boots can also be synonymous with working and cares. Ibn Sireen p. 64 (Boots generally signify one's means of subsistence.).

[142] FROM NAHA, NIGERIA, ON 27 SEPTEMBER 2008

I dreamt I was attending a ceremony of my own marriage.

TO NAHA ON 27 SEPTEMBER 2008

Salam,

Thank you for submitting the form *. Congratulations, dreaming of marriage means happiness coming your way in life.

[143] FROM MIR DANYAL ON 18 SEPTEMBER 2008

Asalaamualaikum,

I want to ask about the meaning of a dream i saw last night..I was in the state of impurity tht time when i saw the dream (jinub).. the dream i saw was that I was in my bathroom and i switch on the gyser and then start to do ghusl and then in the bathroom i see my bedding on the floor as if i was sleeping in that there only and when i do ghusl the water goes towards my bedding and it makes it wet on one side so i roll up that side and i think i finish my ghusl..then near the door of the bathroom i see some clothes kept there for washing the clothes have a pleasant smell of the detergent and then i think i call my brothers wife or something like this (i think she was washing the clothes in a washing machine outside the bathroom) and she comes in the bathroom near the clothes and then i kiss her on her cheek (not with bad intentions) and tell her that she must take us as her own family like she takes her parents..and our family likes her ...then i see myself in the kitchen where my brother is doing something..i tell him that he

must go to our friend whos sister is getting married as he had not gone last time also whn his first sister got married (in real life also the friend im am refering here has 2 sisters and my brother was not here whn his 2 sisters got married both of them) and he says i cant go, u must go instead of me..and then my meternal grand mother comes and says that he (my brother) has to go to his wives relative or somethingthis is what i remmeber of the dream..do u think this dream has any meaning or maybe i jsut saw it coz i was not pure and seeing myself doing ghusl was only because of that...? please translate the dream if it is potent...may Allah reward u ameen...

TO MIR DANYAL ON 18 SEPTEMBER 2008

Wa laikum salam, Mir

As I see it, this dream is saying that you have severe extended family problems [represented by bathroom] which cause grief, but you are trying your best to solve them or, Insha'Allah, they will be solved [represented by wudhu].

[148] TO MAILSCANNER, UNIVERSITY OF SOUTHAMPTON ON 10 SEPTEMBER 2008

Hello,

It has come to my attention that MAILSCANNER warnings are being sent out for my Sites:

www.freewebs.com/drumarazam/ and

www.freewebs.com/umarazam/

Can you explain to me what fraudulent activity I am carrying out?

[149] TO SHUIAB KHAN, EDITOR, ASIAN IMAGE [COMMUNITY NEWSPAPER], BLACKBURN, LANCASHIRE, UK ON 14 OCTOBER 2008

Salam, Br Shuiab

I'm very pleased to see the article about the Holy Aubergine, whose seeds form the Name of Allah Most High, in the current edition of *Asian Image*. *Well done for publishing this!* What a lucky family that found this miraculous phenomenon! I wish it had happened to me! I've added this photograph to one of my Sites. See:

<http://doctorumarazam.weebly.com/free-attachments.html>

I've got 8 Islamic websites on the Net at the moment. Would the *Asian Image* be interested in doing a feature on them? I'm sending you details in separate mail and look forward to discussing the feature with you, hoping you realise

the tremendous benefit material on the Sites will bring to the local Muslim community.

Best regards,

Dr Umar

[150] FROM NAJEEB ON 30 OCTOBER 2008

Dear Dr. Umar,

I had a dream couple of days back and I want your advise on the same:

" I saw in my dream that I have purchased 2 properties (individual house). One from my uncle and other from the third party. Both the properties are within my financial budget and I am extremely happy that I bought both properties"

Dr. Umar,

Please note that since couple of months, I am looking to buy property in India suiting to my budget limit. I am looking at different propeties but nothing materialised yet. So I am always getting worried. I was also very much intrested to buy one of my uncle's property; but he refused to sell. I was very much intrested because it is from my fore fathers. Moreover, please note I am not in that good terms with my uncle due to family problems.

Please advise on my dream.

Thanks.

TO NAJEEB ON 30 OCTOBER 2008

Assalamu Alaikum, Najeeb

I think your dream is a suggestion of your own mind - what you wish does happen! But keep your hopes raised - Allah has all power and, despite all your family problems, you may well be able to buy both houses in the future. Even if this does not happen, then the house you eventually buy will give you as much satisfaction as if you had bought these houses. Don' t give up hope.

May Allah make you happy! Ameen!

[151] TO VARIOUS CONTACTS FROM YAHOO! ADDRESS BOOK ON 29 OCTOBER 2008

Assalamu Alaikum,

See my Site: <http://dr-umarazam.weebly.com> and then sign my Guestbook on this site. I hope it gives you great pleasure to see all my Website Awards and Trophies. You have witnessed my Islamic work first-hand, so I think I deserve them for the efforts I have put in so far.

FROM JAMILU ON 30 OCTOBER 2008

I am happy by these achievements. Only Allah the Almighty DESERVE the GLORY NOT You. For it was He that achieved that through you. It's un couteous to say you deserved it for the effort you put in. What effort did you put in? Allah has given you Health, Brain, Sound mind, Eyes, Ears, Senses, etc. what have you given back, self praises!!!? Please, Give Allah the GLORY.

TO JAMILU ON 30 OCTOBER 2008

Assalamu Alaikum,

I don't agree with you totally, Jamilu. Allah has given us free will to do good or evil, which is why we will be judged on the Day of Judgement. But, of course, Allah has all power and lets us do what we want to do, otherwise we couldn't carry out that free will!

FROM JAMILU ON 31 OCTOBER 2008

Alhamdulillah. Accepted. Thank you.

[152]FROM LUQMAN ON 9 OCTOBER 2008

Salaam dr.umar azam , hope u r well and evrything is going ok. I needed to ask you about a couple of dreams. 1) i had a dream that i could translate the quran and understood the meaning.2) i was going to step outside my house and i saw that there were 3 black dogs outside my house.3) i saw a scar on my face as a result to a fireworkand a white dog running away from me. I would be grateful

if you could write back to me . Its good to know that there are places like this where anything can be found. You are really helping the islamic world may Allah reward you

TO LUQMAN ON 9 OCTOBER 2008

Wa laikum salam, Luqman

Thanks for telling me your dreams. The first one that you could translate The Holy Quran and understand its meaning suggests that you are firmly a Muslim at heart and are spiritually rightly-guided. Masha' Allah! The second one about the 3 black dogs would suggest that you have three enemies in your neighbourhood. The third one about the scar caused by the firework and the white dog would suggest that the enemy appears to be friendly [white dog] and you have fun as friends [firework], but he is really wishing harm [scar]. The fact that the scar was old could also mean that you were hurt emotionally by this person in the past.

Life' s all hard work for me at the moment [as you can see from the new Sites] but work is also Ibadat!

Give my Salam to you Granny and parents & my regards to Ayas & his family.

May Allah give you success and happiness!

[153] FROM SHAFI TO THE MASJID NABWI GROUP ON 9 OCTOBER 2008

In the Name of Allah, the Gracious, the Merciful

Assalamu alaykum,

I am sorry to inform you that my website [INVITATION TO SALVATION](#) is off the Net. The web-hosts Namezero.com have arbitrarily and unjustly deleted all the data therefrom. It's an American company, and I find myself unable to do anything about it. I did protest to them vehemently, but it was of no use. I am also not in a position to take any legal action against them. The law applicable on the dispute is of USA, and I am in India. My readers from USA may like to advise and help me in this matter.

I have now to look for another web-host. Re-building the entire web-site is a daunting task, but I'll, *inshaAllah*, try it. However, it may take quite some time for the site to appear on the Net again. In the meantime, please bear with me, pray for me, continue your studies of the Qur'aan and be in touch with me on any difficulty you encounter in these studies.

May Allah bless you all!

Wassalaam,
Mohammad Shafi

TO SHAFI ON 10 OCTOBER 2008

Wa laikum salam, Br Shafi

I am very shocked to read of your problem. You can get free web hosting at www.freewebs.com and <http://weebly.com> See my Sites with these hosts; [details in a separate mail] to give you an idea of what your new Site could look like.

A suggestion: save files of your Site contents in your gmail account and also on CD-Rom from now on; then even if the same thing happens again, at least you

have your information stored safely & can simply transfer everything onto a new server.

May Allah give you success & keep you happy! Ameen!

hope u r well take care

TO REHMANA ON 24 NOVEMBER 2008

Wa laikum salam, Rehmana

You still haven't signed the Guestbooks on my other Sites yet. I'm still waiting.

Here's the interpretation to your message of 28.10.2008.

I myself don't know if the forename initials of two people have a bearing on their compatibility for marriage! Perhaps this is a science, just like numerology - where numbers have a significance; for example, the number '8' denotes a powerful person! But I am not familiar in the field of 'name initials' !

Here's the interpretation for seeing the colour purple in a dream;

Purple

Great aspirations and understanding of visible and invisible realms. Take advantage of your creativity.

<http://petrix.com/dreams/color.html>

Jalbab

“A woman’s veil, her loin cloth, her cloak are various symbols of her husband and the state of these clothes is an indication for the woman of the state of her marriage.” Ibn Sireen [R.A.] p.65

I hope this e-mail is helpful.

AOA Sir,

I saw a seller selling Singharay (water chestnut / water caltrops) on a cart. My mother likes to eat them so i went to purchase them, but people were purchasing it in so much hurry, like he is selling it free, i reached there almost in last, i don't remember whether i purchased them for my mother or not.

What i do remember is i have seen water chestnut twice or thrice in dream in different manners. Please interpret sir. i will be thankful as ever

Kind Regards,

TO WAQAR ON 24 NOVEMBER 2008

Wa laikum salam, Waqar

Good to hear from you again. I was a little stuck to provide an interpretation for 'singharay', but an inspirational thought came to my head that the interpretation will be the same as for 'fruits'. [Singharay are also the crops of the earth.]

This dream is telling you that you are likely to earn, or be given, money which you will then share with your mother. Good, it seems that you are a loving and caring son. May Allah reward you!

Dear Dr. Umar Azam,

You are doing a wonderful JOB, Jazak-ALLAH.

I am glad to read your email, happy to see that you have put educational stuff on your website.

I beg, please read the attached book and also upload it on your website, this will make other people understand and pin-point "CRIMINALS OF ISLAM".

Concealment of the truth is a crime according to the Quran. [Surat 2: Ayat 42]

Please confirm your understanding and reply me.

I am quoting some lines from the attached book here:

Why do we want the faith in Sufis and Mullahs weakened? [Because most of the Mullahs (Ahbar) and Sufis (Ruhban) devour the wealth of mankind wrongfully and impede them from the Way of Allah. See Quran 9:34]

Q: Why don't our clergy open their eyes?

A: Their education in the Madrasah and in their environment disallows independent thinking. So, their minds become refractory to any rational ideas. Blind following is the order of the day among the Muslim masses. Any threat to the aura of sanctity around the dead Mullahs and Sufis is taken as a threat to their own emotional cocoon of safety in their wrong non-Quranic beliefs.

Q: Isn't the Sunnah important?

A: Sunnah, yes. Insults, no! Remember that the Sunnah of all sects differs from each other. Perhaps for that reason, Hazrat Ayesha had to affirm that the character of the Prophet (S) was nothing but the Quran. Sunnah must not be confused with the Arab culture of 14 hundred years ago. The true, authentic Sunnah of the Prophet is his remarkable disposition and actions, enshrined in the Quran in detail. Still, we should not hesitate to accept the Prophetic traditions and sayings that agree with the Criterion of the Quran.

Hakeem Sa' dat Hasan Qarshi: We need to remember that concealing the truth is a crime according to the Quran. Let us communicate the facts as they are and leave the results up to God. Let our enlightened Muslim brothers and sisters reach their own conclusions. According to Divine Laws, the truth must prevail.

It is our moral duty to let our brothers and sisters know what is going on.

Don't they have the right to know what we have observed and learned? I wonder why the previous generations kept silent seeing what was going around!

Do not read the Quran WITH understanding lest you go astray. (Mullah Ashraf Ali Thanwi, Fazaael-e-A' maal pg 216)

Attention: The Prophet (S) had commanded, "La taktabu 'anni ghair-al-Quran; wa mun kataba 'anni ghair-al-Quran falyamah." (Write from me nothing but the Quran and if anyone has written, then he must erase it.) - Saheeh Muslim, Vol 1 pg 211 Hadith number 594, Printer Maktaba Adnan, Beirut 1967.

IMAM IBN KATHIR'S CONFESSION: "Had Ibn Jareer Tabari not recorded the strange reports, I would never have done so." Tafseer Ibn Katheer, Khilaafat-e-Mu'awiya-o-Yazeed, Mahmood Ahmed Abbasi.

The stool and urine of the Prophet (S) has been used as food and drink. People have been cured by consuming these. (Mullah Tahirul Qadri, supposedly a modernized reformist Mullah of today, Islam Ya Maslak Parasti pg 130)

A Persian verse of Mullah Jalaluddin Rumi translates: I have grown my mind with

the essence of the Quran and thrown away the bones for you dogs. (Matnawi Mullah Rumi). Can we think of a greater arrogance and contempt?

The greatest error is our method of evaluating traditions and Ahadith. Setting the Word of Allah aside, we fall for the impossible personal scrutiny of the narrators of history and Hadith. The efforts of our scholars are focused on trying to prove the reliability of the narrators. Every sect of Muslims has its own choice of narrators. This chaos must end to establish unity among Muslims. For an instant solution, let the Quran be the sole judge of Ahadith and tradition.

I request here, please read the whole book again and again, please read it for your good sake. And please distribute the book to your friends and loved ones, of course, with courage.

I have now had a chance to look at “the book” . You can see for yourself that this material does not fit in with the attachments on my Site, <http://dr-umar-azam.weebly.com>

1. My Sites are “mainstream Islamic” .
2. They are positive in mood.
3. They are educational in the formal sense.

The material you are promoting is:

1. Extreme.
2. Controversial.
3. Liable to offend.

4. Liable to cause further divisions in the Ummah.
5. Fabricated in parts.

For these reasons, I feel there is no place for it on any of my Sites. But feel free to submit other material in the future which I will consider on its own merit.

Dear Dr. Umar Sb,

Thanks for your reply.

Well, after reading your whole email, I have come to know that you are so scared from the after effects. The effects upon uploading the book on your website.

Don't you think that this book should be read by each and every muslim in the world, it doesn't enhance any conflict among muslims but to force all the muslims to get united under the shadow of HOLY QURAN.

It pushes us to check each and every line of history against the word of HOLY

QURAN. Is this wrong in your sense??

Pls reply.

TO AYESHA ON 11 OCTOBER 2008

It's nothing to do with fear; I think it's a nasty piece of work!

FROM AYESHA ON 13 OCTOBER 2008

Asalam o alekum,

Thks for your reply Umar Sb.

Well, I personally think that the work is not nasty but excellent because our new generation doesn't know the *mind state* of our past scholars and historians.

Therefore, I feel that every Muslim should read the book. It doesn't make any conflict but forces us to follow the essence of HOLY QURAN.

Thks very much.

Dear Brother-in-Islam Umar Azam,

Assalamoualaikum Warahmatullah Wabarakaatuhu.

RAMADHAN & LAILA TUL QADR MUBARAK!

I pray that Allah gives you, health and long life.

First of all I present myself: I am the Secretary of the Jamaat Ul Sahih Al Islam. We are facing some financial problems. We have initially succeeded by

the grace of Allah to construct a little Mosque so as to enable our brothers to perform Salaat, and also established a little Madrassa for the children.

Both constructions are in a primary stage (still unfinished) and thus, it is my humble request and in hope that I turned to Allah in prayer and got the idea that I contact my brothers in Islam to give a helping hand in our cause, because what we are doing, our work, is only for the cause of Allah, and to receive His pleasure and satisfaction.

So, in the Name of Allah, the Most Merciful, the Ever Merciful, I humbly request you dear brother, if you would help us (for the love of Allah - Zakaat or Lillah) in terms of your contributions and prayers to successfully finish both constructions which are adjoined: a little Mosque with an adjoining room as Madrassa.

We need several materials for the Mosque and Madrassa. Among these items, we need loud speakers and microphone system which are quite costly/expensive.. We further need other machines to function our office also.

I am humbly including our Bank account Number in full details in the hope that this Ramadhan may find us, through Allah' s mercy, our Mosque and Madrassa and office ready before Eid-ul-Fitr; thus enabling our brothers in Islam to benefit from Salaat in the Mosque fully.

A/C NO. 1010000305300015

BANK: MAURITIUS POST AND COOPERATIVE BANK LTD.

ADDRESS OF BANK: 1, Sir William Newton Street, Port-Louis

It is our humble wish that you include us among your brothers and thus strengthen the ties of brotherhood which the Holy Quran and our beloved Prophet Muhammad (s.a.w) has enjoined for us.

In the hope that these days bring you the benefits of the "Laila tul Qadr" (The Night of Decree).

[166] FROM TASAWAR ON 24 SEPTEMBER 2008

Hello Dr Azam

I had a dream last night I was wandering if you could interpretate its meaning to me.

I had dreamt that I was in place not anywhere I have seen before, I didn't see

any sky but the ground was sandy or dusty. There were people there, mainly men I think... All of them holding out their palms which had a small flower pod growing from their hands, I think it was their left hands... these were single flower pods, closed up, and green, probably 5 cm in height, all of them had their hands open showing them... Then I heard God telling someone else, but God was talking about me when he said this that, 'If I want I can make a flower grow out from her hand'. I put my left out and I saw my skin peel back from the thumb region of my palm, there was no blood, and from my wrist, like a vein, a thin green stem grew through my wrist, out of the region peeled back and grew into the pod same as the rest, but it carried on growing, taller and taller, probably just below a foot in height with a thick sturdy stem... as it was growing it was blooming beautiful, colourful flowers from the stem... My mother was there and Rasool Allah (SAW) was also there I think, and she was saying to him and others there, 'Look these flowers are strong, they will not break,' and she grabbed one of them and was pulling it in tension to show that it doesn't break or tear and didn't. It was around 4.30am when I was woken up from the dream.

If you could let me know as soon as possible the meaning, it would be of great help to me.

I look forward to hearing from you soon.

Kind regards

Here is the scientific interpretation of your dream:

Flowers

When we look at flowers, most of us feel some joy and vitality. At the very least, we appreciate their beauty and see their value. Flowers are beautiful and in our dreams they could represent the simplest feelings of contentment to the deepest feelings of spiritual completeness. A circular flower is a friendly sign which could be the "mandala" symbol or the symbol of wholeness that represents the "psychic center of the personality." Additionally, the colors could symbolize the psychic centers in our bodies called chakras. Flowers also represent hope and positive growth, along with simplicity, innocence, and possibly virginity.

I don't think your dream is very negative. Seeing milk in a dream means doing good deeds. It could be that your marraiage will bring you extra money and then you will spend much more in charity. I suppose you weren't troubled by anything to do with marriage in the dream - more to do with the unfortunate plight of the poor in the dream.

What I meant was that nothing in your dream told you not to marry the doctor. You were only troubled by how poor the other people were and wished you could help them. I would say go ahead and accept the proposal, but if you yourself

inwardly don't feel right, then play for more time. Let things develop further if you aren't sure yet.

[170] FROM HAFEEZ ON 16 SEPTEMBER 2008

Salaamu alaikum,

I am looking for your kindful assistance in the management of my undertakings. This is the holy month when people do render their support to the needies and that's why I am taking that advantage to express my sorrow. I am forcing myself to remain loyal as a Muslim. I keep praying and keep hoping that God will come to me with his mercy someday. While I remain a loyal servant of Allah, I did not want to do anything unholy against his will but the peer pressure I am seeing is too much. I don't really know how to keep my mind away from those things. I feel terribly oppressed. I have been born into difficulty. I don't really know how to introduce myself to you. I am Abdalhafeez Omar Olayinka Amuda, I come from a decent Muslim family in Ilorin, Nigeria. I belong

to a very lower class family and I have been finding life difficult as a Muslim. I desire a qualitative education and for the fact that I am into a very poor family, I have been unable to get myself into my way into life. It has not been easy. I don't want you to see me as a stranger but as a brother please. > I am telling you the whole truth as regarding my case, though I know what your website is about but I'm just looking for an helping hand. I don't want to destroy the soul because of the body. I have been offered several advices out of this miserable life but for the fact that I know if no one seem to see me and what I have at the back of my mind, somebody is seeing me and i that person is Allah S.W.T. I am not expected as a man over the age of 18 to remain a liability to my poor parent. Assuming they have would have be another story. Nobody seems to listen to me. I am looking forward if anyone could help me as a sponsor or give my parent Zakat so that they could give me a sound Education. There seem to be no hope. There is nothing I can do with an half knowledge. This is a kind of country where University graduates still suffer. Not to talk of people like myself. Please try to imagine this things. Please have mercy on me. I want you to help me and give me a life. that's all I want sir. Not that I am lazy, there is no job even to be done. > My complain might bee too much but I don't know how to keep it to myself again. Life has never been kind to me. I just need to tell somebody my problem for I don't know who will be caring. My parents don't know I am taking this step but I keep looking for the means to find a greener pasture which would give them smile on their faces. You could change my life for good sir. May Allah s.w.t be with you. Please make a prompt

reply. That's the whole truth about me.

I am looking forward to your care as a true servant of Allah.

Yes, Nina. Go ahead and I' ll see if I can help you.

FROM NINA ON 12 OCTOBER 2008

Aslamoalaikum,

Sorry to bother you with this disturbing situation but I really would like to know what you think.

I am a 19 year old girl in U.S. When I was a kid, I used to get really scared about stuff that happened to other people. I would think that it will happen to me. I think I was also depressed when I was younger. One time I heard about something on the news that I got so scared I couldn't sleep properly after that. I became somewhat more quiet and depressed. I didn't tell my parents because I didn't want to wake them up every night. Later on, when I was 12 I got really sick that I had headaches everyday and I was soo tired that I didn't feel like doing anything. But I did. I began reading about Allah and Islam. I put all my trust in Allah. Every year I would feel weaker and weaker. The doctor found nothing wrong. But one year, we found out that I had really high blood pressure the whole time along with worrying and not getting enough sleep. I began exercising and just trusting Allah. I became really close to Allah. I would try to do everything I could. But I still had trouble sleeping so I was still somewhat depressed. But I became more religious and I was really happy. It was a very spiritual, calming time in my life.

When I entered college, I was still depressed in a way. Sleeping was better but I still didn't sleep enough so I was always tired and didn't feel like doing anything. I began watching movies whenever I could around April. I felt bad for wasting time like this but it helped me keep my mind off of tiredness and stress. During May I began praying more and reading more Quran but I would still watch movies or read novels to help me feel better. One day, I watched a scary movie. Before going to sleep I thought about whether or not I would feel

scared during the night. I started having thoughts about how those things can happen to me to. Or what if I did something like that. I got really scared but told myself I wouldn't. But then just as those thoughts had easily come, this thought came that there's no God, what religion wouldn't allow us to do anything like this. It was very strange. I think my mind accepted just like that and when I woke up the next day, I was really really depressed like I'd lost something. I tried not to think about the thought I had at night but they kept coming. In order to distract myself, I began watching more movies. I didn't know what to do. I tried to pass time by getting out of the house more or whatever would distract me. I still read and prayed but I was so focused on those thoughts I had. When I was praying there was no Khushoo. I didn't know what to think about. In Sajdah I would just pray that if there's a God please don't let me do anything bad and please don't let me disbelieve. I would read Islamic stuff online and see Muslim people and cry that I wanted to be like them and that I'd lost something very important. After about a month, I read about Jahanumm and how people who didn't believe were sent there. I believed everything about it and Islam but since I had been so depressed, I sort of blocked my thoughts about Allah.

I didn't talk about anything like thanking or asking for forgiveness which I used to do all the time before. So whenever I thought about Allah I couldn't. Nothing would come. I thought Allah had left me. So I spent another 2 weeks or so being more depressed. I knew I was going to Jahanumm. I slept more because what was the point of waking up if I was going there. More scarier thoughts

started coming about doubts with religion and stuff it. I never had these thoughts before so I was always scared about waking up because I would have these thoughts. I also read about waswaas and nafs so I felt a little better but I felt soo empty. My mind would sometimes tell me that Allah is forgiving but what I did was so bad that it's unforgiveable. At times I thought about giving up prayer and everything because I didn't want to be a hypocrite since they go to hell. And I also thought that Allah didn't accept my prayers anymore. I still prayed but I didn't feel the same. It sort of became a burden. All of a sudden, worse thoughts starting coming to mind that I had never even thought about towards anyone. They kept on coming whenever I would try to think of Allah or anything about the religion. It was like I was blaming Allah for not stopping the thoughts that came to mind when I watched the movie. Right now, my heart and mind have become so empty or something of that nature. Sometimes I think I should stop thinking of religion at all but then I'm still trying to hold on but so weakly. Whenever I think of Allah bad things come to mind that aren't even realistic. I don't know whats going on anymore. I can't seem to study or talk with others properly. I keep searching for advice. I read about how if a person leaves the dhikr of Allah, the qareen is assigned to the person or how Allah places a veil on certain people's hearts. I'm in a very difficult situation and I don't know what to do. I don't feel the same, I can't even seem to repent from the heart like I used to. I really feel like a hypocrite. I don't seem to be truly nice to people from the heart like I used to. I want to say everyday duas but I don't feel like I can say them from the

heart anymore and the worse thing is, something inside of me is saying bad things to Allah and Islam and other people. I try to stop it but I don't know if it still counts as me saying it, i never said anything like this before even in mind. Is there a way to tell if a person has really left Islam? Whenever I see other Muslims I want to be like them I know they have light in their hearts. I want to be able to praise Allah and thank him for everything but I can't. But at other times I feel like I want everything back so I can be happy from the heart. I see so many people doing haram things but their still strong believers I think I really have lost. Please let me know what you think or if there's someone else I can talk to about this. Thank you and salam

dear brother asalaamualaikum,

i did istikhara prayer to see if its good i marry a girl whom i love i was in the mosque for eitikaaf that time..i prayed the istikhara after IShrak and then i slept...the dream i saw was, i saw my father, mother and my mothers father and mother in the mosque sitting and i was praying (standing in qayaam, and it was the same mosque i was in for eitikaaf, but one thing i noticed later when i woke up that i was not praying to the direction we pray in the mosque) then what happened is that my mother says to her parents that "he (me) wants to marry her (the girl i want to marry) " then my mothers father who is a good praticising muslim says "there is nothing wrong if he(me) marries her as there nothing that prohibits it in shariah.." kindly translate this dream..im really obliged..

TO MIR DANYAL ON 2 OCTOBER 2008

Wa laikum salam, Br Mir

I think you should propose marriage for the girl because your mother' s father approved of it. However, because you were praying in the wrong direction in the Mosque, it means that either you are going astray in some way [making some mistakel], or your motives are not correct in some way [I cannot say more because I don' t know why you wish to marry the girl].

FROM MIR DANYAL ON 3 OCTOBER 2008

Asalaamualaikum,

I have already proposed the marriage to her and she is also ready for marriage...the only prob is tht she is divorced and has a 3yrs old girl..my intention to marry her is only bcoz she is a good and a practising muslimah..do you think she must talk to her mother about us and i must also talk to my parents? and when i saw the dream in that dream i was not having any feeling that i m praying in the wrong direction, but when i woke up and recalled the dream i felt that i was praying in the wrong direction..what does it mean..does it mean that our marriage wont work? or does it mean that we must not talk to eachother like this coz we are gair muharrams and we must now start to talk to our parents about our marriage..please suggest me what should we do is it good for us to marry or not?

TO MIR DANYAL ON 3 OCTOBER 2008

Wa laikum salam,

Good, you're an intelligent chap! Praying in the wrong direction in the dream means that you re going about the whole thing in the wrong way. Both sets of parents need to be involved; if any set of parents is not happy, forget it - there'll be no barkat if you or she makes parents cross.

At last I managed to find the Dua for the full moon, Masha'Allah. You can read it from this link:

I'm also attaching this Dua, with this message, for your use.

[175] FROM JEENA, CANADA, ON 11 SEPTEMBER 2008

Salamalaikum wa Rahmatullah brother, hope ramadan mubarak is going good. Brother can u please interprete the following for me?

I did istikhara last night about my marriage to a guy. And I saw my dad. There was nothing shown to me regarding our marriage but I dreamed that my dad was back from the other world or from the grave just to visit us and see us and he is so happy me and my dad we talk alot of things but i dont remember what it was I think it was mostly about him how he is doing and stuff and he is so happy Alhamdulillah. Then its time for him to go back before its dark and my mom says to him to go cuz its getting dark but do come back again tomorrow. So my dad leaves and me, and my 2 brothers sit in my car and then there is another car which is my cusin's husband and he is behind us he is dead too and going

back (although in real life he is alive but remember how I told you I always dream them??) anyways and then behind his car is my dad's car (a dark red car) so we start driving and just as we start moving suddenly my cousin's husband's car goes outta track and then the same thing happens to my dad's car. So we suddenly go and run towards my dad and see that there is a big piece of glass that has cut off his head. I take out the glass from his head and my brother and everyone says don't do it but I do it and there is no blood, I can literally see his brains then I don't know what happens and my mom says let's all go today to visit my dad he will be so happy to see us all together. So as we all gather and are going there I cannot explain in words what I saw like it was this sweet-bread (we call it rot) everywhere in the graveyard and as we are walking I am thinking to myself that oh my dad's head has totally healed in such a short time cuz this much time of ours is equal to 70 years of the other world and I think only the scar is there although I haven't even reached there yet and haven't seen anything.

So this is what I dreamed and I don't really know what it means but I am having a very good feeling about him being so happy. I am not sure what does the last part depict.

TO JEENA ON 11 SEPTEMBER 2008

WA LAIKUM SALAM, JEENA

I SHOULD THINK YOUR DREAM IS TELLING YOU THAT, WHILE HE WAS ALIVE, YOUR FATHER HAD MASSIVE FAMILY PROBLEMS WHICH WERE V. HURTFUL FOR HIM, BUT HIS SITUATION IS HAPPY NOW IN THE HEREAFTER & HE FORGIVES EVERYONE.

FROM JEENA, CANADA, ON 11 SEPTEMBER 2008

thanks alot brother, u r right! but does this have anything to do with my marriage istikhara?

TO JEENA ON 11 SEPTEMBER 2008

I THINK THIS DREAM IS WARNING YOU NOT TO THINK OF MARRIAGE AS SOMETHING PERFECT - THE SAME TYPE OF PROBLEMS COULD CROP UP.

FROM JEENA, CANADA, ON 23 SEPTEMBER 2008

Salamalaikum brother,

What is the interpretation of a death person coming into life? I have been dreaming this over and over again about my father.

FROM JEENA, CANADA, ON 23 SEPTEMBER 2008

Sorry brother my dream everytime is this that my father comes to life. What does that mean?

TO JEENA ON 23 SEPTEMBER 2008

Wa laikum salam, Jeena

Death in a dream represents the end of a phase or of some stage in your life. Anything your father tells you is the truth because there is no falsehood in the life after death.

TO JEENA ON 24 SEPTEMBER 2008

Sorry, Jeena - I was so busy yesterday that I didn't quite understand the precise nature of your question. I'm afraid the interpretation of the dreams you mention is severe:

"To see oneself alive in a grave is a sign of imprisonment and great distress." Ibn Sireen, *Dreams and Interpretations* p. 61

I THINK YOU SHOULD GET FOOD, PRAY QURANIC VERSES OVER IT, DEDICATE IT TO THE REWARD OF YOUR FATHER & DISTRIBUTE IT TO THE LOCAL MOSQUE, FAMILY AND FRIENDS. INSHA'ALLAH, THIS ACTION WILL GIVE YOUR DAD PEACE IN THE GRAVE.

FROM JEENA, CANADA, ON 24 SEPTEMBER 2008

Salamalaikum wa Rahmatullah brother thanks for the interpretation. I am absolutely confident that my father is in peace cuz he was a very pious God fearing person. Its not just what I say but its everyone's opinion who knew him. But I will give some sadaqah inshAllah.

Brother I received this email regarding Aalim on Sms and Email Service.
For sms: 0312 921 9110 for email: askalimos@gmail.com

as much as I appreciate it, this is my work email and I would prefer not to receive those kinda emails in this email address. So I respectfully request you not to give my email address to others for advertising. Thank you so much, have a great day.

Salamalaikum wa Rahmatullah.

TO JEENA ON 24 SEPTEMBER 2008

Salam, Jeena

Well, I'm glad you're confident about your Dad's piety but you asked me the dreams for interpretation & I gave the literal interpretation 'by the book'.

What makes you think I have passed your e-mail address on to others? I haven't.

TO JEENA ON 27SEPTEMBER 2008

Wa laikum salam,

I expected you to say that, 'No, I didn't see my father alive in the grave. I just saw him alive normally [ie outside the grave, as in everyday life]." But you didn't say this! Then [if you saw your Dad alive outside the grave] the interpretation becomes different. To dream of marrying a dead woman means that [the male] has renewed hope of marriage [Ibn Sireen R.A.]. So, similarly, if you dream of your Dad coming back to life, this could mean that you were depressed and despondent before, but now you have renewed hope of marriage or other happiness.

Assalamu Alaikum, Ashraf

Allah Almighty never puts on a soul a burden greater than it can bear [Holy Quran]. So if you were to commit suicide, you would deserve Hell Fire.

If you have a problem in life, there must be a solution to it! Even if you get taken to court, you will be able to explain that, and how, you are the victim of fraud.

Money comes and goes - it' s not a matter of life and death! I know it' s big money you' re talking of, but worry can never change circumstances! I' m forwarding you the Azafa Rizk Dua by separate mail and pray that events unfold in your favour.

I can offer fair compensation if you'd place a few links on http://www.dr-umar-azam.com/philosophical_dreams/philosophical_dreams.htm

Would you be interested?

Best,

TO ASHLEY ON 16 OCTOBER 2008

Hi, Ashley

I'll consider your offer. What are the links? Are they pertaining to philosophical matter?

FROM ASHLEY ON 17 OCTOBER 2008

Hi Dr. Umar Azam,

Thanks so much for getting in touch! I can pay you \$50 for this one ad. If you agree, I also have two other pages I would like to place ads on can pay you \$40-\$50 for each additional page.

And here's what I'm looking for:

On the page: http://www.dr-umar-azam.com/dreams_in_islam/dreams_in_islam_2.htm

*In Dream NO. 7 can you link the word "table" to:
<http://aic.stanford.edu/library/online/brochures/furn.html>

*Under Dream NO. 178 in the sentence that begins "Afterwards, I saw a golden fruit-bearing tree..." can you link the word "furniture" to:
<http://www.overstock.com/furniture/30/store.html>

*Under Dream NO. 184 can you link the word "mansion" to:
http://www.unicor.gov/office_furniture/executive_furniture.cfm

These links are ideally for permanent inclusion on your site, though one year's placement is quite satisfactory. I can make an electronic payment through PayPal (just need your PayPal e-mail address), or I can pay with an old-fashioned paper check through regular mail (just need your mailing address) ...

Please let me know what you think!

Again, much obliged,

Ashley :)

TO ASHLEY ON 17 OCTOBER 2008

Hello, Ashley

Thank you for your offer which I must politely decline. I was looking for links pertaining to philosophy but marketing of furniture is obviously not an appropriate area of relevance!

thanks for ur reply sir. i have left every thing in the hands of god. iam getting some other proposals also, i have given this responsibility to my parentsbcoz u cant judge any person in a short span of time...and iam nt ready to take any risk at all.

sir, iam little afraid..... yesterday in my dream i saw :

Myyath(A GROUP OF PEOPLE CARRYING A DEAD BODY TO WARDS GRAVEYARD)

and later i saw iam eating an Custard Apple and iam purchasing small plants and fruits from the shopkeeper and all are especially green.

i dont knw its gud to see these things or nt.

Sir, i would like to knw the significance of this dream.

TO SHAZIA ON 12 NOVEMBER 2008

Wa laikum salam, Shazia

That' s v. wise - leaving the decision of marriage to your parents: you definitely can' t go wrong! Death in a dream signifies the end of a phase of your life - in your case being single. Custard

apple, plants and fruits all convey the notion of a new beginning in your life
ie marriage, hopefully- and you will be richer too!
May Allah give you success and happiness! Ameen!

Uh just for the sake of questioning anyone can download the Holy Quran from hundreds of Islamic websites online. Just google "Download Holy Quran" and you get no less than 600'000 results.

Why would anyone want to give you their email address so that you would email

them something which is already available for free download online? Infact you yourself have uploaded the Holy Quran as an attachment on your own website and still why do you insist that people ask you to personally send in the attachment via email? Are you building an email list by any chance?

TO KHADIJAH ON 15 SEPTEMBER 2008

Salam,

I read your Guestbook entry on

www.freewebs.com/umarazam

and felt that your comment was unfair. You have given me really *vague* symbols. For example, you told me that you dreamt about fruits. But I can only give you a general interpretation. There are specific interpretations for apples, bananas, peaches etc.

If you look at *The Interpretation of Dreams* link on

www.dr-umar-azam.co.uk

it will give you information of Ibn Sireen's [R.A.] book. Please buy this book [highly recommended] and the read it for interpretations and you will see what I mean.

For now, I will make the effort of typing out information from the book for your understanding. When your e-mail arrived, I was v. busy distributing the Holy Quran attachment, and obviously *that* had to take priority over your e-mail.

Nuts: To press olives or nuts presages blessing, fertility and money for the one who obtains a share of them. P. 39

Fruits: To collect the fruits of a tree or to gather the leaves can refer to receiving money from the man symbolised by the tree. P.39

Milk: The milk of cows, buffaloes and camels is a benefit. P. 43

[192]FROM SAKINA ON 30 OCTOBER 2008

As-Salaamu 'Alaikum

I like your web-site, but would like interpretation of my own dreams and visions.

Before my first Hajj, I had a dream in which Rasulullah (S) informed me that I was a direct blood descendant of his from the seed of Imam Husain (AS). Then he informed me that I was very pleasing to Allah. In another long dream, Rasulullah (S) smiled, shook my hand, and left Amirul-Mu'Minin 'Ali as my spiritual guide to all true Islamic knowledge. Since then, I have seen al-Mahdi (AS) over 40 times in visions and dreams. In fact I have seen the entire family of Rasulullah (S) from his father down to al-Mahdi (AMS). I often see Angels too such as Jibra'il (AS) and other Angels (AMS), and I have seen Prophets such as Moses and Jesus, and the holy mother of Jesus (AMS). I have also been blessed to see Fatimah (AS). I am now writing a book called 'SHADOW OF TERRORISM' which is about the holy Ahlul-Bait (AMS) and their God-given rights and merits. But my question is, what does all of these blessed dreams and visions mean. I would also like to obtain an english copy of Ibn Sireen's book on dream interpretation. HELP!!!

Assalamo alikum, I read the whole booklet. it is very informative. I wish and hope that Allah subhanuotaala give me tufeeque to practice all you have put together. Ameen and grant you the full ajar for you effort. I follow hannai fique. we use to read the pansurah a lot then we came to know that a lot of things in them other then the surahs and duas are bid'ah. Like praying on shabqader in a paticular way reciting one surah 15 times in each rakat etc. What is the basae of these kind of prayers.also it has durood taj durrod lakhi and other wazaifs.

TO FARHAT ON 3 OCTOBER 2008

Assalamu Alaikum,

It is a well-known fact in Sunni circles that wahabbis have a very narrow & restricted view of authenticity, so much so that even authentic aspects of Islam such as Darood Taj, Naqsh and Taweez, though inherent characteristics of Islam, are considered bidah! Men are only men; I don't take notice of very rigid Muslims. Our duty is to Allah. That's why I've gone ahead and put Taweez etc. on my Sites.

thankyou

TO KASIM ON 29 NOVEMBER 2008

Salam. See the following link:

<http://www.freewebs.com/drumarazam/usingtaweez.htm>

I believe the Taweez will work in cases of *lawful marriage*, or the intention to make the woman that you wish to marry fall in love with you for the purposes of

marriage. It will not work for acting in sin i.e. fornication [sex -or forbidden sexual behaviour- before marriage].

FROM KASIM ON 30 NOVEMBER 2008

i have 1 more question about taweez that you have on the practical islamic advice which is the taweez for love how long should a person wear it for i couldnt find any information on that thank you for your 1st answer really helps

TO KASIM ON 30 NOVEMBER 2008

Wear it until you feel satisfied that it has served its purpose; afterwards, bury the Taweez or throw it into a river. You can also buy the book PROPHEMIC MEDICAL SCIENCES [which is packed with Amals and Taweez] available in major Islamic bookshops, such as the BOOK CENTRE in Bradford, UK

[196] FROM ASMA ON 12 DECEMBER 2008

Dear Sir,

Aadab!

Thank you very much for your response.

I will be extremely grateful to you, if you could please explain the following of my dream.

On the Baqraid day, (9th December 2008) early in the morning before Fajr, I saw that there is a very little worm (KEERA in Urdu, I don't mean infection) in my teeth and moving in the gums and very visible. I took it out and thrown it away. Then, I found that it was not only one, but many little worms are there. I got a little worried and upset too, thinking what is happening. Suddenly some Buzurg appeared who is known to me, helped me to take it out I started dragging the worm and surprised, when I saw it, because it was almost a 3 inches long chain of those little worms, joined with each other. I was surprised and felt relieved, but that Buzurg asked me to repeat the act and again I dragged it and this time the bunch of worms was thick and large like a mall bag. I was nervous and throned it on the floor blood was split around and I got woke up with the feelings of gratitude for the Buzurg...

Most of the times my dreams are very symbolic and turn out to be true. At the moment I am not able to understand the message nature has given me through this dream.

I will be thankful to you if I could get it from you.

Best regards,

TO ASMA ON 13 DECEMBER 2008

Salam, Asma

Your dream was very hard to interpret and I'm not sure that I can interpret it exactly because it does not precisely fit any of the categories in Ibn Sireen's [R.A.] book.

I think that the dream may be suggesting that plenty of unlawful money [symbolised by worms] is being earned by your family/kin [teeth] but you, yourself, don't like this haram income [discharge of blood] and you will try to stop making use of this unpleasant income either through a religious person close to you or through the concepts of our religion itself [buzurg].

This dream does seem to be negative if I have interpreted it correctly but, at the same time, the dream does acknowledge that you, yourself, are a righteous person who does not like to see sin being committed by those close to you. I think this dream is giving you guidance by encouraging you to *sacrifice* haram livelihood - no coincidence if you dreamt this on the day of Baqra Eid ... the occasion of Qurbani.

Dr Umar

PS A note on methodology:

I arrived at this interpretation by looking at the entries for worms [p. 53], blood [p. 53] and teeth [p. 49] in Ibn Sireen' s [R.A.] book.

[197]TO SHEKHANI ON 2 OCTOBER 2008

Thank you for inviting to visit your websites. I visited one last night www.freewebs.com/umarazam and found the information about the name of Muhammad (SAW) on Jabal Uhud on satellite photograph and showed it to my sons as well.

I also saw the dream story of a sister. I think such narrations need a little typographical, spelling and grammatical corrections before putting them on larger audience.

Also the highlight colours on being used are rather univiting.

JazakAllah for making all this effort.

[202]FROM DANYAL ON 7 DECEMBER 2008

Asalaamualaikum,

My friend saw two dreams the first one he saw was 2days before and the second one he saw last night, can you please translate the dreams for us, my friend is having problem with his wife and she is in her fathers house along with her kids, and in business also my friend is suffering.

The first dream he saw 2 days back is: He saw himself in a mosque praying after an imaam and after finishing (he thinks that he finished the prayer with the imam) the prayer with the

imam he saw 2 or 3 people who came late, making their own jamaat for prayer and then he again prayed with them although he had prayed with the imam first, when he joined them in the prayer the number of men grew to 8 or 10 and while praying those men disputed among themselves and didnt not finish the prayer and started to argue with eachother but my friend did not argue with anyone he was just watching them, then my friend became thristy and he thought that it will take these men some time to settle the issue and to start the Nimaz again so he thought that he

will drink water and then come back, and when he came out to drink water from the tap, when he wanted to drink the tap used to move away from him but atlast he managed to hold it and then tied it to something and then he drank from the tap, and when he turned back he saw that the mosque and all the area had submerged into water or maybe was submerging, but he was safe on the land..

the second dream he saw yesterday is : he saw himself and his brother (he thinks it was his brother) and other 2 men (unknown) with him sitting near the sea. And he saw huge

waves coming towards them and the water of the waves was very very clear and pure.. and they were bending down when the waaves were comming towards them.. and after some time they left that place..

these were the two dreams he saw, i would be very grateful to you if you could translate them. Thankyou

TO DANYAL ON 4 DECEMBER 2008

Wa laikum salam & Eid Mubarak, Mir

Thank you for your E-Mail.

Regarding the First Dream

Two salats in a dream imply discord/conflict/disharmony between people.

Your friend has problems and is being tested in life [thirsty] but he will stay on the right path in the deen (religion) [symbolised by his drinking of water].

Thirst symbolises shortcomings in one's deen. To dream one is thirsty and wants to drink without managing to do so heralds the ends of sorrows, because it says in the Quran about Saul, 'Allah will test you by means of a river. Anyone who drinks from it is not with me.' [2 : 249]. But some think this dream means simply to not realise desires. To drink cold water means to gain lawful money. To slake your thirst with water is a sign of soundness of your deen, rectitude and religious orthodoxy. Ibn Sireen Dreams and Interpretations [R.A.] p. 137

A flood symbolises an attack by the enemy [physical or emotional?] p. 26

Regarding the Second Dream

The agitated sea symbolises fear, cares, catastrophe. The water being clear/pure/approaching them points to a cure. The fact that he was with two others suggests help and support for him from within the community.

To wash oneself in the river or the sea without feeling fear or humiliation signifies administering a cure to oneself. p. 28

If the water of the sea is agitated, the dream heralds fear, cares and catastrophes. p. 29

I hope this mail is useful.

Thanks a lot for your reply and I am so happy for my dream. I went to perform Umrah in the last 10 days of Ramadan and there I prayed to Allah that I may see several Prophets and the 4 Khalifa' s in my dreams. I am so thankful to you and My Allah as well.

I have just 2 more dreams please (Last from my end):

1 - I saw this dream when I was on a 18days Tableek outing and I was sleeping at night in the Masjid.

I saw in my dream that I entered one mosque and I saw groups of 2 peoples each all over the mosque (2 people sitting together in groups away from each other and discussing something). As I entered the mosque, on my left hand side I saw a grave of our last prophet which was not higher then the earth' s level.

What does this dream mean as I called one of our scholars and he said that it means that I will be having one Hajj Insha-Allah in my life time.

2 - My sister saw a strange dream that 2 people were digging a big hole and keeping a lot of pots in it. Each pot was having a head of a human and was alive. Means all those pots carrying heads of humans were kept by these 2 people inside the big hole which they dug. Then these 2 people took mud and were putting or massaging on all the heads / faces in the pots getting ready to burry them.

I will really be thankful and appreciate your reply. Sorry for disturbing you Sir. Thanks a lot.

TO JUMARAZ ON 23 DECEMBER 2008

Salam, Jumaraz

[1] As well as Hajj, your first dream points to going to Medina Sharif and also having value for the concept in our religion for the intercession of the Prophet [Pbuh] on the Day of Judgement.

People in different groups in the Mosque highlights the discord *within* the Islamic community in the modern times.

[2] *If someone dreams he is placed in the earth, no improvement can be hoped for in the area of religion: the dreamer is under the thrall of the world and Shaytan completely dominates him.*

Ibn Siree [R.A.] p. 61

This dream highlights the corruption and evil nature of many Muslims in the 14th Century.

[208] FROM HINA ON 23 DECEMBER 2008

Asalam o Alaikum

i have read in your website about dreams interpretation.

I really need to know about some of my dreams:

1) I usually saw true dreams, i mean that whatever i saw in my dreams , the next day or after 2-3 days , it would happen

2) I need to know about plane crash, I have been seen this dream for 2-3 years, that I was watching a airplane and it crashed. Or sometimes i saw the airplane was flying very low, and I was worried it might be hit any building or anything , in dream it wasnt happen, but the plane crashed. and sometimes the plane fell down. i saw this kind of dreams several times and its very clear to me also.

I never got any injiury while i saw the plane fell down or crashed.

TO HINA ON 23 DECEMBER 2008

Wa laikum salam, Hina

Your dreams show that you yourself are a righteous and truthful person if the dreams turn out to be true. The plane creashes mean that you have severe problems that could really get you down but you manage to minimise their effects through your Iman and Amal.

FROM HINA ON 27 DECEMBER 2008

salam

thank u very much for your quick reply.

I need to know about 1 dream also,I saw this dream for couple of months back !

i saw my uncle n aunty (my uncle is a Doctor) were standing near a tomb/grave of Hazrat Imam Hussain. my uncle was checking the heart beat of Imam hussain. when i asked him , he said that he will be alive soon.

I was shockeddd what .. how this could happen!

then i saw imam hussain's face, he was looking like to be a very old , having white beard, dark complexion. at that time his eyes were closed.

then i saw he really got alive! & people around him said Oh Imam Hussain s
alive!!! Imam hussain started crying & he s supposed to be like this , that I
dont want to be in this earth, as it is very sinful place.

then the scene changed.

then i saw my elder sister n younger brother, told me that our
father died because of severe accident and they didnt tell me & mom about
it. (in real, my father elder sis,& younger bro lived in Saudi Arabia, & me n
mom lived in Pakistan). then i saw in dream, my elder sister said thanks to
allah as he give life to our father, & he become alive again. and i , my sister
and all , were giving thanks to allah that he saved our fathers life or become
live again.

while my elder sister was telling me about father's death, i also saw his grave
as well.

after this again scene changes

this time i saw Imam Hussain in my home, i thought oh he got alive.

🔮 this time he was like very fair complexion, tall, long white beard & skinny,
and he was in white dress.

then I suddenly Woke up !!

I was like very much worried about my dad.

Please tell me this dream interpretation

please pray for my family, specially for dad.

Thank U,

TO HINA ON 28 DECEMBER 2008

Wa laikum salam, Hina

The part of your dream where Imam Hussain [R.A.] was crying and saying that he didn't want to come back into this world because it is a place of hardships can be taken literally [i.e. as an actual messages .

So I think your dream is telling you that your dad will be having severe problems of some kind but these will only be temporary, if painful. It seems that some event will take place in his life which will change things for the worse [the change is represented by death in the dream; his old life will 'die'].

Insha'allah he will be able to overcome whatever it is/will be.

[212] FROM JUMARAZ ON 21 DECEMBER 2008

Dear Dr. Umar,

Assalam Alaikum,

Hope this mail finds you well. I had the below dream and I wanted to ask you of it. Please advice.

My Dream (At night time, between 3 - 4am).

I saw that there are 2 persons who are bringing a piece of land and showing me the grave of Hazrat Ali. But then they bring another piece of land and says that this is Hazrat Ali' s grave. Then they say no and brings another piece of land and shows me a grave (not higher then the earth level) and says this is Hazrat Ali' s grave. Hazrat Ali' s turban (large and bit heavy) was kept on top of the grave. I cannot remember but they said that this grave is in Mauritania , Morocco or Maghrib but the name started with M. I then took the turban and placed it on my head with the permission of those two persons. I then took a snap of myself from my mobile as I was very happy wearing the turban of Hazrat Ali. Then I woke up and it was a little time left for the Fajr Azan. Please advice about this dream. I will be very thankful to you.

TO JUMARAZ ON 22 DECEMBER 2008

Wa laikum salam, Br Juma Raz

I have been looking at the meanings which relate to the symbols seen in your dream in the book DREAMS AND INTERPRETATIONS by Ibn Sireen [R.A.] and there is good news for you: your dream is favourable!

Hazrat Ali [A.S.]

The interpretation will be similar to seeing the Holy Prophet [Pbuh].

Dreaming of men of knowledge and pious people is a great good. P. 14

To see the Prophet [Pbuh] clothing the dreamer in one of his garments or giving him his ring or sword means, for people disposed of sobriety, that this virtue will be obtained, and for someone who leans to devotion, that an immense boon will be obtained. P. 61

Land

Seeing extended land before one is sign of a long, peaceful and happy life. P.33

Grave

To dig a grave means to acquire a house at the place where the tomb is dug in the dream. P. 61

To summarise, your dream is suggesting that you will be wealthy in the future as well as being righteous in Islam. You will buy property at the place mentioned in your dream. The mobile photo of yourself wearing the turban of

Hazrat Ali [A.S.] could mean that you will become materially prosperous through the field of information technology or some other medium of communications.

So congratulations from me for your future success, Insha' Allah!

Walaikum salam,

Jazak Allah khair, for the attachment you sent me. my name is Rabia Qureshi and im 14 years old. please can you send me that dua on how to get a house in paradise.

i had this dream and its troubling me i had it around 2 months ago. please could you interpret it for me and give me a strong explanation into the meaning of my dream.

i dreamt that the sky was pitch black and there were two planets one was the earth (blue and green) and the other a beautiful white planet with swirling clouds. then both the planets started to merge into each other. the planets disapperaed and there was a big full moon.

TO RABIA ON 19 DECEMBER 2008

Salam, Rabia

I was a bit surprised to get your e-mail because I expected your comments on the SELECTED ISLAMIC CORRESPONDENCE work that I sent you. If you need more time, read it thoroughly first and then send me your remarks.

Regarding your dream, the pitch black sky represents punishment [Ibn Sireen R.A. *Dreams and Interpretations* p.26]. *The Earth merging with another planet: To see the Earth as if was round is a sign of difficult affairs. p.33* A big, full moon represents a pious child.

So it seems that your life is one of hardship but Allah is testing you. You will bear everything with good grace and stay religious.

Thanks for signing my Guestbook on my Site www.dr-umar-azam.com with your useful comment.

I' m attaching SELECTED ISLAMIC CORRESPONDENCE - VOL 2 with this mail. A number of letters are concerned with dreams and their interpretations.

Please find some time to read this work and then let me have your (detailed) comments by return mail. I' d like you to forward this Attachment to other members of the Islamic Society at Oxford , instructing them to send me their remarks. If I can get 10 or 11 replies, that will be a fair sample.

After I have heard from you and the others, I will then give you further information on 'dreams' and their definitions.

[217] FROM HUMAIRA ON 24 DECEMBER 2008

Assalamwalaikum,

I read that you give interpretations about dreams.

I have had this persistent dream from the past 7-8 years in which I am in a very dark place (I don't know which place) and running away from something which is trying to catch me. I have never seen what is trying to catch me... I don't know whether it's just a feeling or there is something really behind me. I keep running and try to scream but am unable to... my voice disappears. Simultaneously while I am watching this dream.. I am actually trying to scream in real and my sister gets disturbed of it. Please tell me what this dream means and if there is any way to stop it from reoccurring.

Thank you in advance

Ms. Humaira Ahmed.

Thanks for contacting me. Noor in a dream means guidance but darkness means misguidance. I think there's some sort of trouble in your life and it's been stressing you out. You can read the Duas and use the Taweez in the PRACTICAL ISLAMIC ADVICE section of my Site www.dr-umar-azam.com

FROM HUMAIRA ON 24 DECEMBER 2008

Assalamwalikum Dr.Umar,

Thank you for your email.I understand that I have been having misguidance in my life,maybe your are right.There is something else on which i need interpretation.

I have loved a guy from the past 8 years..right now I am 23 yrs old.When i got into the relationship I did not know it is haraam..as I thought just having sexual intercourse with the opposite sex is haraam.I loved him truley and always wanted to marry him.Otherwise I consider myself to be a good muslim..following the 5 pillars of islam.From the past 1 year I started learning about religion...and found out that hijab is compulsory and started following it.Also since now I am in marrigable age,the guy who I have loved wants to perform nikah with me.I did ishtiqaara once..i saw a dream in which both of us are very happy..v r going to the movies..v are eating out..and are happy with each other...i thought of it to be as yes...later things started getting bad..his behaviour towards me started changing..though he says he loves me n intends to marry me..he speaks very rudely to me and doesnt appreciate me.I still love him.I did ishtiqaara again and saw a completely opposite dream.I dreamt that we are in a councelling meet.There is a large crowd.The counsellor is a

christian.He points out to the guy I love and says "He is the most selfish person in the crowd" and then he points at me and says "and the girl sitting next to him is the biggest idiot sitting here".I am utterly confused and dont know what to do.I still love him..but dunno if this marriage is good for my deen and duniya.Kindly guide me.

Thanking you

Ms. Humaira Ahmed.

TO HUMAIRA ON 27 DECEMBER 2008

Wa laikum salam, Humaira

I think you need to be very cautious here or your marriage to this person could be a disaster. You need to involve both sets of parents or other relatives [yours and his] for the marriage to have any chance of success. A Muslim girl attempting to arrange her own marriage without the blessing of the elders is what the dream was referring to about "idiot" . If he is a very selfish person, he will not want to marry you when the elders get involved because he has just been using you. He wants the relationship to be on the basis of 'no strings attached' , a concept not acceptable in Islam!

FROM HUMAIRA ON 28 DECEMBER 2008

Assalamwalikum Dr.Umar,

Thank you for your interpretation.My parents and his are involved.His mother(Father is not alive)had given a call and asked for my hand.I have just left this matter to Allah.There is no major problem except the fact that he is not settled.Just recently i started having problems with his behaviour.

However I will be very cautious and will not do anything without my parents consent.I know a nikah without my fathers consent is invalid.I saw you have posted some dreams on your website.I would appreciate it if you keep our correspondence private.

Thank you for your time and guidance.May Allah bless you for your work.

Regards,

Ms.Humaira Ahmed.

You can send me your dream narration at this Yahoo e-mail address and I'll see if I can interpret it.

FROM TARIQ ON 24 DECEMBER 2008

Respected Dr Umer Sahib

I really appreciate your prompt reply and thank you so much for your help . I was looking for appropriate person and seeking contacts to help me in this respect and your kind guidance in this respect would be very helpful.

Prior to narrate my dream, I would like to let u know briefly about our prevailing circumstances. Actually few months back my wife is diagnosed with cervix Carcinoma (Cancer) , Doctors suggested Radiation therapy but my wife was not willing for it therefore sought alternative therapy from one of Homeopathic Doctor and his therapy remained continued till this dream and now discontinued.

My Wife Dream (Earlier).

She saw that we are going to gather and passing through a place where that Homeopathic Doctor's clinic exists (though that location seems different than his true clinic which is in his house in fact) so I am asking my wife to stand here let see if doctor is here to say salaam to him. I took step forward and upon my inquiry if doctor is there someone informed me that Doctor sahib is

passed away! to hear so I silently cry and re-informed to my wife while coming back to her.

My Dream (Few days Later):

I can see two plumbing workers doing their job on galvanized pipes and I am just talking with them regarding their work (Which I do not remember, What I spoke to them exactly) both of them are standing just near to our apartment building, immediately I saw my wife coming out and crying loud .I asked her the reason and she informed me that her Doctor is passed away , now who will give her medicine and some how I can see rear side of photo frame perhaps she has taking photo of doctor too.

Summary:

In the both of dreams significance appears a death of Doctor who is treating my wife and the dream is seen both of us in way that when she saw I was crying and when I saw she was crying.

Dr Sahib I would be grateful if You please help in this respect.

TO TARIQ ON 25 DECEMBER 2008

Salam, Tariq

Death in a dream represents the END OF A PHASE OR A SITUATION. Now the fact that it is the Doctor Sahib passing away means that the situation WITH HIM is going to end. This could mean that the therapy has been discontinued as you say or that the new situation/treatment may not be as satisfactory for your wife. I can't say much more because I don't know the exact circumstances but your wife's crying and not being sure about medicine is not a good omen. Let's hope that it's an 'inverse' dream that has the opposite meaning!

Salam, Rehmana

Thanks for signing the Guestbook of my Site <http://doctorumarazam.weebly.com> with your 2 comments, one of which is pasted above. You have given me a great idea - a section on links to Sites about Women and Islam on one of my own Websites! But that's going to take time! The GOOGLE search engine is a marvellous facility. I typed in 'Women and Islam' and it gave thousands of links. Now, if you look through just one of the links:

<http://www.islamfortoday.com/women.htm>

you will find that it gives adequate information. But then it gives about 50 links of articles relating to women and Islam! It will take you months to read all this material. *So that's the best way* for you to acquire the knowledge which interests you - use Google and then surf onto the links! If I made the sections you recommend, I would only be duplicating what's already available on the Internet, anyway! That's why I hope to have a LINKS section only. And, incidentally, that's why I'm specialising in the field of research into Islamic dreams- especially my own- because the information and knowledge is unique - not duplicated or available elsewhere on the Internet! 'Dreams' is a topic in which there is a dearth of Islamic knowledge - especially of the dreams of ordinary Muslims like me [the dreams of the Prophets Muhammed, Yusuf, Daniel {Allah's blessings be on all of them} are well-published, though].

Thank you once again for your highly intelligent suggestion!

[220] TO MUBASHEERA ON 20 JANUARY 2008

Salam, Mubasheera

I think you're unlikely to get the Pansurah Shareef free on the Internet: it's copyright is retained by many publishers, there would be so much Arabic text to put on the Internet; I've also noticed that the newer editions have omitted the Naqsh [numerical Taweez] which is a pity [good job I put them in the PRACTICAL ISLAMIC ADVICE on www.dr-umar-azam.com earlier' . However, now there seem to be more duas in the editions from India . Do a GOOGLE search of *PANJSURAH SHAREEF* and you can get these valuable duas for very little cost - about £3 in UK sterling. So, in my opinion, it's worth spending some money *on this particular book.*

Actually my elder sis is married couple of months back, she s not pregnant now. I m unmarried & I like one of my friend, but its not like that we are in relationship or anything. but we both like each other for so long.

so i just thought in dream that he is in good mood.

i was about to reply him... someone said look out him... i just saw a baby boy of 3-4 months ,v fair & cute, he was playing with telephone & fell down...I went there to help him, I started laughing at his funny & cute activity.i didnt saw my parents but it was like in vision that they were started laughing and so happy for their grandson. but i just let him out of that fone & quickly come back to my friend as i wanted to chat with him, & then I told him about my

SEEING CHILDREN IN A DREAM SUGGESTS IMMINENT PROSPERITY AND GROWTH IN THE MATERIAL SITUATION [MORE MONEY COMING IN] AND PERSONAL SITUATION TOO [YOU MAY WELL BE GETTING ENGAGED OR MARRIED]. MASA' ALLAH, THIS IS A PLEASANT DREAM GIVING GOOD NEWS FOR YOU IN THE NEAR FUTURE AND IT CONFIRMS THAT YOU HAVE BEHAVED RIGHTEOUSLY IN MATTERS OF THE HEART, AND WITH THE BLESSINGS OF YOUR PARENTS,

SO, CONGRATULATIONS!

FROM HINA ON 17 JANUARY 2009

Firstly I apologize to disturb u.

secondly i have written dream only.

i didnt get your point!

did u mean that my parents should meet my friend's parent ?or the skin specialist one? as that doctor was jus a dream. it dint exist.

If u mean my parents shud meet frnd's parents, then how ?

That guy said to me he s not interested in me anymore.

then why all the time i saw him in my dreams?

lastly tell me the dream interpretation, is there any ?

many thanks for ur concern

TO HINA ON 13 JANUARY 2009

Wa laikum salam,

I did advise you to forget him if he doesn' t want to know you. When we think of situations which make us happy, we often experience dreams relating to that

happiness. But it doesn't necessarily mean that the happiness will physically materialise. You're basically living on happy memories. Now, if he's not interested, look for a husband, forget about marriage to him and move on in life. Your loyalty is to Allah ahead of anyone else. If it's not to be, it's not to be!

i dreamt it at around fajr time. i saw that the woman whos intentions for me have always been bad whos double crossed in me
in many of situations. was sitting on a chair with her arms crossed dressed from head to toe in white. she had two white
dots on her head. one big one at the top of her forehead and a smaller one in middle of her eyebrows! our eyes crossed and angrily she turned her face to her left.

thank you very much
could you please reply back to me as soon as possible.

SEEING THE FACE IN A DREAM REPRESENTS THE REPUTATION OF A PERSON [IBN SIREEN P. 46]. SO, SEEING THIS WOMAN WITH A BLEMISHED FACE MEANS THAT PEOPLE IN THE LOCAL COMMUNITY THINK NEGATIVELY OF HER CHARACTER. IT SEEMS THAT SHE IS AN ASSERTIVE AND DOMINEERING PERSON WHO TRIES TO CONTROL OTHERS! HER WHITE CLOTHES SYMBOLISE HER WIELDING OF CONSIDERABLE POWER, SO I DON' T THINK YOU SHOULD BECOME ENEMIES WITH HER! DEAL WITH HER DIPLOMATICALLY, NOT AGGRESSIVELY.

ASALAAM ALAIKUM

[223] FROM RABIA ON 16 JANUARY 2009

Asalam Alaikum

Recently i did istikhara i had a really confused dream. at first me and some people from school were standing near a swimming pool the colour of the water wasn't the normal colour it was a kind of medium blue colour. then later on there was a room which was pitch black that people were entering, however i did not enter it. then i was looking at some temples from the outside however it felt asif they had been converted into mosques. i was then reading namaz evetything was a rich deep yellow colour there were 2 boys behind me watching one of them was quite small around the size of a toddler and the other in his teens. watching me inspired them to read namaz . i was reading in the forward direction, the younger one did sajdah infront of me but did sajdah in the dirction to the left. the little boy dissapeared and the older one started to do sajdah next to me in the forward direction. we both did sajdah at the same time. i read Subhana rabiul ala out loud 3 times trying to make him say.

please could you interpret my dream for me i dont understand, as there are many differences: water being a darker blue colour, temples, the dark room, and the little boy doin sajdah facing in the direction to the left.
please could you email me back as soon as possible

Jazak Allah Khair
thank you
rabia

TO RABIA ON 17 JANUARY 2009

Wa laikum salam, Rabia

,As I see it, your dream is telling you that you, yourself, Masha'Allah, are rightly guided [reciting *Subhana rabiul ala*]. For Muslims as a whole, the current year [little boy, pitch black room] means a distressing situation for us [just look at what is happening in Palestine]. Muslims are not following the proper rules of Islam [incorrect sajda]. Islam is expanding [temples > mosques]. I feel your dream is telling you that you obviously care about other Muslims and that you are aware of the repercussions of our religion at a public level, not just on your own private level.

FROM RABIA ON 17 JANUARY 2009

Jazak Allah Khair

Thank you ever so much Dr. Umar Azam

Do you think the istikhara was positive.

TO RABIA ON 19 JANUARY 2009

Yes, the Istikhara was positive because it emphasises the need for unity in our worldwide and local Muslim communities. I get a hunch that it will be very interesting for a person of your good faith and personality.

Thanks for signing the Guestbook on www.freewebs.com/drumarazam

You read the Correspondence on Taweez; the onus is on you to prove the Taweez go against Islam, not on me to prove that they are allowed in Islam. If you can't find any proof, then there is no rule against the wearing of Islamic Taweez.

I have read in Islamic books that it is permissible to go to the lavatory whilst wearing the Taweez as long as the Taweez is completely covered. When committing the marital act, obviously the Taweez must be removed.

I need to know about my dream interpretation, as I saw this dream when I did isitikhara for Sumi, that guy is in Manchester,

I dreamt that I was pregnant, I'm in hospital of Manchester. I saw a lady sitting beside me, she was also pregnant, the doctor was giving her an injection & I was like, "ohhh no! injection, as I would be in pain when he would inject me as I was also pregnant." I asked the doctor about the injection, and he said this is for only the mental preparation of pregnancy, this is not the gynecology ward. Then I woke up.
