Make Dua for All

to bcc: imam-ahmed-raz.

**Assalamu Alaikum Wa Rahmathullahi Wa
Barakatahu:**

**"Dua for a person not present is accepted quickly
by Allah." (Tirmizi and Abu Dawood)**

Benefits of Duaa

Numan bin Basheer رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Duaa is ibadat." Then He صلى الله عليه وسلم read this ayat **وقال ربكم ادعوني استجب لكم.** (Tirmizi, Abu Dawod, and Ibn-e-Majah)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "In the court of Allah, there is no greater thing than duaa" (Ibn-e-Majah)

Abdullah bin Umar رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Among whatever has been descended and whatever has not been descended Duaa is beneficial of all. Oh people of Allah! Assume Duaa a must for yourselves. (Tirmizi)

Abdullah bin Umar رضي الله عنه from Rasool-Allah صلى الله عليه وسلم, "For whoever the door of duaa opened, for him the doors of mercy are opened. Whatever duaa is asked from Allah the best duaa is for well-being and safety among them." (Tirmizi)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Allah is extremely displeased with the person who doesn't do duaa to Allah". (Tirmizi)

Salman رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Your Rab is modest and kind. A person raise his hands

in HIS court and HE leave them empty, Allah shies from it." (Tirmizi and Abu Dawood)

Jabir رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Whoever does duaa to Allah, Allah fulfills his seeking or in exchange averts misfortune until the duaa is not related to sin or breaking some relation." (Tirmizi)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Do duaa to Allah with this confidence that HE will accept it and know this well that Allah doesn't accept the duaa done with a negligent and careless heart. (Tirmizi)

Salman Farsi رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Duaa turns away destiny and good deeds lengthen age. (Tirmizi)

Umar رضي الله عنه narrates that, "Whenever Rasool-Allah صلى الله عليه وسلم raised his hands for duaa He صلى الله عليه وسلم did not put down them down until HE صلى الله عليه وسلم took both hands over his face." (Tirmizi)

Aisha (Radi Allahu Anha) narrates that, "Rasool-Allah صلى الله عليه وسلم liked duas that were inclusive and he left the rest." (Abu Dawood)

Abdullah bin Umar رضي الله عنه narrates from Rasool-Allah صلى الله عليه وسلم, "Duaa for a person not present is accepted quickly by Allah." (Tirmizi and Abu Dawood)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "Three duaas are such in which there is no doubt of their acceptance: 1) Father's dua 2) Traveler's dua 3) Dua of the oppressed". (Timizi, Ibne Majah)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "Three types of people's duaas are not rejected: 1) At the time of iftar the person who has fasted 2) Adil ruler's dua 3) The dua of the oppressed. Allah raises the dua of the oppressed on the clouds and the doors of heaven are opened for it and Allah says, "Oath of MY Majesty and Honour! I will help and aid you. Even though if the help is after few days." (Tirmizi)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "When anyone of you does dua then don't say "Oh Allah! Forgive me if you want", "Have mercy on me if you want", "Give me subsistence if you wish" rather believe completely that HE will do whatever HE wishes. Nobody can force HIM." (Bukhari)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "Allah excepts the dua of a person till the dua is not related to sin or breaking of some relation and until he does not haste in that dua. The people (May Allah be happy with them) asked, "Oh Rasool-Allah! صلى الله عليه What is meant by haste?" He صلى الله عليه replied, "That the person say "I did dua again and again but my dua wasn't accepted and afterwards he

becomes hopeless and leaves the dua. This is called haste." (Muslim)

Jabir رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "Don't do Bad-duaa [against] yourself, your wealth, or for your children. May it be the moment of acceptance in the court of Allah and your Bad-duaa be accepted. (Muslim)

Boraidah رضي الله عنه narrates that Rasool-Allah صلى الله عليه heard a man performing dua like so *1, so He صلى الله عليه said, "He [the man] has performed dua with the Ism-e-Azam and when Allah is asked through the Ism-e-Azam, Allah grants and when dua is performed with it HE accepts it." (Tirmizi and Abu Dawood)

Asma binte Yazeed (Radi Allahu Anha) narrates from Rasool-Allah صلى الله عليه, "Ism-e-Azam is in these two ayahs **وَالهَيْكُمُ إِلَهٌ وَاحِدٌ لَّا إِلَهَ إِلَّا هُوَ الرَّحْمَنُ الرَّحِيمُ** and in the beginning of Ale-Imran **آلَمْ. اللَّهُ لَا إِلَهَ إِلَّا هُوَ الْحَيُّ الْقَيُّومُ**." (Tirmizi and Abu Dawood)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "Saying **سُبْحَانَ اللَّهِ. الْحَمْدُ لِلَّهِ. لَا إِلَهَ إِلَّا اللَّهُ اللَّهُ أَكْبَرُ** is dearer to me than this world and all that is in it." (Muslim)

Abu Hurairah رضي الله عنه narrates from Rasool-Allah صلى الله عليه, "Whoever said **سُبْحَانَ اللَّهِ وَيَحْمَدُهُ** hundred times in one day his sins are erased even if they are equal to the foam of the sea." (Muslim and Bukhari)

Abu Hurairah ^{رضي الله عنه} narrates from Rasool-Allah ^{صلى الله عليه وسلم}, "Every Prophet had a special dua which is accepted in the court of Allah. All Prophets were in quick in their duas. On the day of Judgment, for the intercession of my Ummah, I have saved my dua. My dua will reach to every person in my ummah, who did not make any partners with Allah. (Muslim)

Dear UMAR,

What a wild ride it has been! Since last year, ReadyGraph has had explosive growth, thanks to our wonderful network of publishers, bloggers, who keep the internet alive with fresh, exciting new content. Our tools now serve as a key driver of audience growth for over 30,000 websites.

ReadyGraph really appreciates working with dr-umar-azam which is why we're reaching out. We want to make sure that we are doing our best to keep you happy. In order to ensure that we keep bringing you high quality products and services, would you be so kind as to take this brief survey? <https://www.surveymonkey.com/s/5YDVYHK>. Your feedback is greatly appreciated and will help ReadyGraph continue to address your needs.

The community has been vociferous, so we are in the process of adding a plethora of new features that you've told us you wanted:

- 1. Cross Promotion: ReadyGraph has a huge network of blogs and users that come to us for content in our daily/weekly email digests, so we're going to start cross promoting relevant content to make our end user experience better. By promoting content across the network, your site's traffic will grow organically.**

2. Voting: We're also adding the ability for users to vote-up sites and posts, directly from digest emails. The more votes your content gets, the more highly ranked your site will be and the more cross promotion it will get.

3. Upgrades: So many websites have told us the number one problem they face is getting the right traffic for their message. Adwords are expensive, Social Media volatile and time consuming, and SEO is basically an elusive, mythical unicorn? So we made it easy for sites to promote themselves through our network to any audience they want. Whether it's based on things like location, gender, or interests, we listened to you and have made it easier to drive relevant traffic to your site. We offer several [premium plans](#) to grow your audience faster and if you want to really accelerate your growth, you can reach out to us here: support@readygraph.com and we'll be happy to work with you to tailor a custom package based on your specific goals, ideas, and needs.

4. Participation: Of course in today's modern Internet climate, we want to make sure that every one who participates has the choice to do so. If for any reason, at any time, you want to opt-out of our growth engine, just let us

know and we will take care of your request promptly and professionally.

Summary:

ReadyGraph is going to enable the ability for site owners to engage in cross promotion to help people reach a wider audience (You can opt out). We're going to enable voting features, and we'd love if you took this survey to ensure your happiness with our products and services.

For information please. It is time for all of us to read the translation of Quran to understand Islam correctly instead of simply reciting and Hifz of Quran and depending on our Maulanas to get exploited and deviated. Our Masjid Imams also don't project Islamic Guidance on such matters of Shirk, Bidah, un Islamic customs and practices so common among us. Thanks.

This guy, claiming dream upon dream, is the same guy, who, was writing paid column in Urdu Times 4 years ago and was promoting and selling Taweez, Wazeefah, Dua etc. . However, his business of Taweez, Wazeefah, Dua etc. did not bring enough "business" i.e. "Dollars", so he had to close this paid column. Now this "dream" business is new drama to generate "Dollars".

YES, I'VE BEEN WORKING AT ANOTHER SITE OF MINE. I HOPE YOU AND YOUR LOVED ONES ARE IN THE BEST OF HEALTH AND IMAN. CAN YOU PLEASE SEE MY NEWEST SITE

<http://dr-umar-azam-charity.weebly.com>

AND THEN LET ME HAVE YOUR COMMENTS.

YOUR COUSIN'S DREAM COULD MEAN THAT SHE HAS PROBLEMS WITH RELATIVES OR FRIENDS OR THAT THERE IS ENMITY FROM SOMEONE TOWARDS HER FAMILY.

Snake

To see a snake or be bitten by one in your dream signifies hidden fears and worries that are threatening you. Your dream may be alerting you to something in your waking life that you are not aware of or that has not yet surfaced. If the snake

tangles itself, then it represents a subsiding threat. Something that you thought was going to be a problem has resolved itself. Alternatively, the snake may be seen as phallic and thus symbolize temptation, dangerous and forbidden sexuality. In particular, to see a snake on your bed suggests that you are feeling sexually overpowered or sexually threatened. You may be inexperienced, nervous or just unable to keep up. If you are afraid of the snake, then it signifies your fears of sex, intimacy or commitment. The snake may also refer to a person around you who is callous, ruthless, and can't be trusted. As a positive symbol, snakes represent healing, transformation, knowledge and wisdom. It is indicative of self-renewal and positive change. In particular, dreaming of a red snake highlights the positive characteristics of the snake, as well as your fiery passion. To see a baby snake in your dream means that you are underestimating some threat in your waking life. To see the skin of a snake in your dream represents protection from illnesses. To see a snake with a head on each end in your dream suggests that you are being pulled in two different directions. You are feeling overburdened and do not know whether you are coming or going. Your actions are counterproductive. Perhaps the dream represents some complicated love triangle. Alternatively, the dream signifies your desires for children. If you see a two-headed snake in your

dream, then it refers to cooperation and teamwork in some relationship.

To dream of a snake without a head or without any eyes implies that you are refusing to see the danger in a situation. Alternatively, it means that you are being blindsided. To dream that a snake is being beheaded indicates that there is an issue that you are not confronting. You are refusing to face your fears. To see a bodiless snake in your dream refers to some biting or cutthroat remarks. To see a dead snake in your dream means that a threat has passed.

If you are eaten by a snake in your dream, then it means that someone is taking advantage of you. Dreaming of a snake eating your child represents someone who you fear is harming your child in some way. Perhaps you do not trust your child's judgment and are afraid that she is being manipulated by others. The dream may also symbolize your fears of letting go. To dream that you are eating a live snake indicates that you are looking for intimacy or sexual fulfillment. Your life is lacking sensuality and passion. If you vomit or throw up the snake, then it may mean that you are overcompensating for something that is lacking in your life. You may be rushing into something. To dream that a snake is eating another snake represents your drive and determination to succeed at whatever cost. *Go to Common Dreams: Snake Dreams for further analysis. View**

I would appreciate if you could give me the meaning of this dream as I have gone through the site myislamicdream, I did not get any information.

The dream is about snakes. My cousin dreamt about a nest just like a bird nest and inside there are lots of black small snakes (long and slim) near her door. She was trying to kill the snakes.....

The next day she found in her corridor of her house a long snake (its colour is light grey) and her husband throw it outside but did not kill it.

THE DREAM COULD MEAN THAT YOUR FRIEND OR HER NEIGHBOURS, OR ALL OF THEM, COULD GET RICHER! I'VE GIVEN THE ISLAMIC DREAM BELOW AND 2 SCIENTIFIC INTERPRETATIONS FOR THE COW AND GRASS AFTER THAT.

As grass is cattle's food and cattle represents people's wealth, then gathering and eating grass in a dream means prosperity.

<http://www.myislamicdream.com/search.html?txtSearch=grass&cmdSearch=Search>

Cow

To see a cow in your dream symbolizes your passive and docile nature. You obey others without question. Alternatively, a cow represents maternal instincts or the desire to be cared for. For some cultures, the cow represents divine qualities of fertility, nourishment and motherhood.

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=cow>

Grass

To see green grass in your dream suggests that there is a part of yourself that you can always rely on. The dream is also symbolic of natural protection. Also consider the phrase "the grass is always greener on the other side." Do you always compare yourself with others and look at what other people have?

To dream that you are planting grass indicates that your hard work and efforts will pay off in the end.

Is Music allowed in Islam?

General

Written by Imam Afroz Ali

The question of music is a complex one and there are valid differences of opinion surrounding it. As a quick introductory statement, we as Muslims must realise that understand the Fiqh (Legal Ruling) of any matter is not as simple as quoting a Qur'anic verse or pointing to a Hadeeth. In fact, the Companions, and definitely the two generations following them (Tabi'een and Tabi' Tabi'een) refrained from quoting from the Sunnah or the Qur'an without proper analysis of many many issues, e.g., linguistic proofs, context of revelation as well as a narration of the Prophet (upon whom be peace and blessings of Allah), absolute and qualified narrations, universality and particularity of verses and narrations, etc. These are deeply developed sciences. The points below are the summaries of rulings based on such a thorough understanding of the Shari'ah, rather than those who simply claim to quote a verse or a Hadith as proof.

Further, it is also important to note that music and

singing are essentially two different things, not mutually exclusive but certainly not dependent of each other. In other words, one does not have to have music to sing, but at the same time they are both musical matters.

In regards to the question itself, the matter can be broken down into the following categories of assessment, each holding its own ruling and differences of opinion.

We will start from those matters unanimously agreed upon to be prohibited.

1. The kinds of singing which are unequivocally prohibited are those which contain the celebration of the material world and includes sexual connotation and that which is also inappropriate in speaking, e.g., swearing, sexually expletive language, and the like. In Fiqh this is usually referred to as Tarab. Almost all Hollywood (and Bollywood...) songs will fit in here.

2. The kinds of singing which are also unequivocally prohibited, are those that remove a person away from the worship and appropriate presence with Allah, e.g., leading a person to be involved with cross-gender mixing, lazing around (rather than taking a short break to relax from exhaustion. In such cases, as we will see below, there is permission to listen to musical matters that glorify Allah and praise the Prophet), ignoring one's rights and responsibilities, and the like.

3. Those kinds of singing which are unequivocally permitted are those which glorify Allah and praise the

Prophet. Much can be said about this, but it will be a whole book! So in summary, this is usually taken to be permissible as a respite rather than the norm of "iPod in the ear 24/7". It is also permissible to have such appropriate singing of happiness (rather than directly about Allah and His Messenger) that soothe the heart in a Halal manner for festivals and weddings. These kinds of singing are usually referred to as inshad and sama'.

4. Those kinds of singing which are general, and are neither prohibited nor specifically about goodness and happiness (but may be e.g., about politics or environment, etc), the majority of Scholars hold that it is permissible only in its context rather than a habit to listen and enjoy. If it is habituated and leads an individual to ignore their rights and responsibilities, then it is not permitted. Almost all Hollywood and Bollywood songs fit in here.

Now to music:

1. The kind of music referred to as malahi are abhorred and prohibited. This kind of music is simply for entertainment for dance, frivolous enjoyment and the like.

2. Those kinds of music from the duff and similar drums (under the category of ma'azif) are unequivocally permissible. Of course, the songs attached to it must be permissible as outlined above. Further the use of the drums are unequivocally permissible for festivals and

weddings and joyous times.

3. The critical difference of opinion is regarding different kinds of musical instruments; it is incorrect to suggest that all musical instruments are held to be prohibited in Islam. The fact is that the major prohibition of music is because at the time of the Prophet, they very often were used in the context of malahi - (1) above, hence easily claimed that it is prohibited in all circumstances. But this is not the case. As such (and the same for singing with or without music):

i) If the music is part of glorifying Allah and His Messenger, this is held to be permissible by the majority of Scholars;

ii) If the music is for entertainment and pastime, it is prohibited;

iii) If the music is for soothing and serenity of the mind which helps one to remember Allah, as long as it does not remove one from obeying Allah or one's rights and responsibilities, there is a significant difference of opinion, and is best to minimise such involvement if not avoided. If you saw someone listening to such a musical matter, do not place judgment on them nor force your opinion on others regarding this category.

In conclusion, avoid all singing, music, gatherings of entertainment, except for gatherings of melodious remembrance of Allah and His Messenger. And, be

cautious if singing and music which are of spiritually happiness (not material) and also leads one to remember Allah and only listen sparingly if one could not avoid it at all.

Insha Allah that gives you a practical set of guidelines and the scope of permissibility as well as definite prohibitions and as such help you to live your life better in the presence of Allah Ta'ala.

Visitor: how do i get rid of more in the navigation at the top, i just want navigation without the more...and croll-down menu

[Chat was not replied to by Tim T, this chat is now assigned to you - Michael H.]

Michael H.: There is only a certain amount of space in the navigation bar. When you exceed that space, the rest are placed under the More tab. The only way to remove that would be to remove those pages.

Visitor: HI, MICHAEL , BUT MY QUESTION IS HOW TO GET MORE SPACE AT THE TOP FOR FULL NAVIGATION

Michael H.: There is no way to do that. Themes only have a certain amount of space for the navigation bar.

Visitor: IS THERE A THEME THAT ALLOWS FULL SIMULTANEOUS NAVIGATION LINKS EG 10 LINKS

Michael H.: The amount of space varies per theme. You can always check out different themes under the Design tab.

Visitor: YES, MY SITE www.latest-halal-foods.net IS NOT COMPLETELY FREE, I'VE PAID WEEBLY FOR HOSTING, SO I COULD EXPECT A BETTER THEME WITH MORE SPACE

Michael H.: Then I would recommend you browse the theme area to see if another theme is closer to what you are looking for.

Visitor: I HAVE BROWSED THEM ALREADY AND WASN'T THAT SATISFIED BECAUSE ALL THEMES ARE UNSATISFACTORY, COULD PLEASE JUST TAKE A QUICK LOOK AT THE SITE AND RECOMMEND A FULLER THEME?

Michael H.: All themes only have a certain amount of space for the navigation bar. I do not have a list of exactly how much space is on all 400 themes. You will need to browse them and find one you like. If you don't like any of them, there's really nothing we can do about that. We can't redesign the themes.

Visitor: I DIDN'T SEE 400 THEMES, I SAW ONLY ABOUT 30, WHERE ARE THE 400?

Michael H.: You can find all the themes under Design -> Change Theme

Visitor: YES, THERE AREN'T 400, THERES TITLES LIKE MODERN [7], CORPORATE [8] ETC

Michael H.: I didn't literally mean there were 400 but there are definitely more than 30. The point is that every theme is going to have a more button at some point if you have tons of navigation links.

There's no way around that beyond just having less navigation links.

Visitor: I'M A LITTLE DISAPPOINTED BUT THANKS ANYWAY, I DIDN'T WANT TONNES OF LINKS JUST SOMETHING LESS AMATERISH. THANK YOU FOR YOUR ATTEMPTED HELP, MICHAEL

Michael H.: Have a great rest of your day!
